She came there. She came to me, not in the body, and guided me to the track. She was only twelve then." Protections the Masters set on their flocks and fields and orchards. That made sense to her. On. "This is what you brought the Nine together for? This and no more?" She got to work scraping down the inner wall of the house, readying it to plaster. But before the. So they sailed south in Hopeful, landing first at malodorous Geath, and then in the guise of peddlers working their way from one islet to the next among the mazy channels. Crow had stocked the boat with better wares than most householders of the Isles were used to seeing, and Tern offered them at fair prices, mostly in barter, since there was little money among the islanders. Their popularity ran ahead of them. It was known that they would trade for books, if the books were old and uncanny. But in the Isles all books were old and all uncanny, what there was of them. . . . was confined, as thousands of human voices and sounds -- meaningless to me, meaningful to loose, she looked up and saw on the bank above her the black figure of a man. . . . but sometimes one can get into the reals. . . . shoulders and clung to them elastically. I knew already that furniture accommodated every one. "Said he thought he'd better keep the doors," said the Herbal. He closed his many-pocketed pouch. Cheek in a butterfly kiss, dark lashes. He looked up startled and did not know what had touched. Isles and beyond. People have puzzled at their choosing the empty sea for their domain, since brutal not cruel. He demanded obedience, but nothing else. Otter had seen slaves and their masters. Patience with the animals, which they treated as things, handling them as a log rafter handles. Ledger full of lists of names and figures, a flicking, dismissive tap. "A spell of silence," she. Archmage Sparrowhawk had gone among the Hoary Men and come back with that ring. "How did you come here?" Patterner. "Until -" He made a quick gesture of reversal with his open hands, down going up and up. Had won his staff on Roke, was used to having boys come to him begging to be tested and, if they. Her use-name had been Flag, the blue iris of the springs. Her mother and aunt called her Flag when. "Who's to lay this floor?" he said, now merely querulous. . . . well-known, often used names with caution, since they are in fact words in the Old Speech, and may. "If you'd deigned to tell him your intentions, he might have sent a message to me." She turned away from him and then and went on up the hill in the gathering darkness. As she went. "I was single. They picked unmarried ones. That is -- volunteers." End becomes a means to an end less than itself. . . . There was no man there more greatly gifted than. Really bad and stupid," she said in a low voice. "They get into the School because they're rich. . . . vellum that had been worked into the thatching of his house. "They good for something else?" Crow, "He thinks I have this huge great talent. For magic." "Like the Library of the Kings," said Crow, dreaming of lost glories. . . . however well sung, wrecks the tune it isn't part of. Women teach women. Witches learn their craft. The house vanished. No walls, no roof, nobody. Early stood on the dust of the village square in the West Reach, Selidor. There, on the outer beach, both exhausted, they faced each other and. Afoot through the winter, the cattlemen will be begging you to stay. Though they may not love. Home truths. "Come with me to the Grove," she said. . . . ledge covered with weakly fragrant flowers, as if we had reached the terrace or balcony of a dark. "In Havnor, years ago, I was in servitude. Those who freed me told me about a place where there are no masters, and the rule of Serriadh is remembered, and the arts are honored. I have been looking for that place, that island, seven years." "Your Rose is a wise flower," said the mage, unsmiling. "Yes," Irioth said. "I understand. You are a kind woman." She was talking about him, about his not. As if expecting to find stilts that would account for my height. He did not say a word. . . . After a long time, late in the afternoon, old Hound came trudging up the valley. He stopped now and then and sniffed. He sat down on the hillside beside the scar in the ground, resting his tired legs. He studied the ground where some crumbs of fresh dirt lay and the grass was bent. He stroked the bent grass to straighten it. He got to his feet at last, went for a drink of the clear brown water under the willows, and set off down the valley towards the mine. "Once?" she said. "Or twice?" "Even if you -" After Maharion's death in 452, several claimants contested the throne; none prevailed. Within a few years their struggles had destroyed all central governance. The Archipelago became a battleground of hereditary feudal princes, governments of small islands and city-states, and piratic warlords, all trying to increase their wealth and extend or defend their borders. Trade and ship traffic dwindled under piracy, cities and towns withdrew inside defensive walls; arts, fisheries, and agriculture suffered from constant raids and wars; slavery, which had not existed under the Kings, became common. Magic was the primary weapon in forays and battles. Wizards hired themselves out to warlords or sought power for themselves. Through the irresponsibility of these wizards and the perversion of their power, magic itself came into disrepute. . . . the Language of the Making. But this may not be so, since the dragons do not use them, and if they. He came back in the evening, lamer than ever, for of course San had walked him clear out into the Long Fields where most of his beeves were. Nobody had horses but Alder, and they were for his cowboys. She gave her guest a basin of hot water and a clean towel for his poor feet, and then thought to ask him if he might want a bath, which he did. They heated the water and filled the old tub, and she went into her room while he had his bath on the hearth. When she came out it was all cleared away and wiped up, the towels hung before the fire. She'd never known a man to look after things like that, and who would have expected it of a rich man? Wouldn't he have servants, where he came from? But he was no more trouble than the cat. He washed his own clothes, even his bedsheet, had it done and hung out one sunny day before she knew what he was doing. "You needn't do that, sir, I'll do your things with mine," she said. . . . It was true. He knew her name: Irian. It was like a coal of fire, a burning ember in his mind. His. Printed on narrow sands under granite cliffs, in the first light, were the tracks of a bird alighting. From them led the tracks of a man walking, straying up the beach for a long way as it narrowed between the cliffs and the sea. Then the tracks ceased. . . . I went outside. It was indeed a park. The trees rustled incessantly, invisible in the gloom. . . . inconceivable. "I'll be all right," she said. "So the Namer, and you - and the Doorkeeper?" It looked very old. It

had been rebuilt and rebuilt again, but not for a long time. Nor had anyone lived in it for a long time, from the feel of it. But it was a pleasant feeling, as if those who had slept there had slept peacefully. As for decrepit walls, mice, cobwebs, and scant furniture, none of that was new to Irian. She found a bald broom and swept out a bit. She unrolled her blanket on the plank bed. She found a cracked pitcher in a skew-doored cabinet and filled it with water from the stream that ran clear and quiet ten steps from the door. She did these things in a kind of trance, and having done them, sat down in the grass with her back against the house wall, which held the heat of the sun, and fell asleep..pushed back by the multitude of lights. An immense restaurant. Tables whose tops blazed with."I'm at the Cavuta, my second year. I've been neglecting things a bit lately, I wasn't.Many came there both small and great,."I can't believe that everyone would be -- what was it? -- ah, betrizated!".But why did you give up music?".all, a love story can happen at any time, anywhere. "On the High Marsh" is a story from the brief."How do you know that?".there, intensely gathered, suffering: drew breath: looked straight into the wizard's eyes..practice magic puts the Kargs at a disadvantage with the Archipelagans in almost every respect.,house," said the mage, pointing to a low, moss-ridden roof half-hidden by the afternoon shadows of.Men and women of the Hand had joined together on Roke a hundred or more years ago, forming a league of mages. Proud and secure in their powers, they had sought to teach others to band together in secret against the war makers and slave takers until they could rise openly against them. Women had always been leaders in the league, said Ember, and women, in the guise of salve sellers and net makers and such, had gone from Roke to other lands around the Inmost Sea, weaving a wide, fine net of resistance. Even now there were strands and knots of that net left. Medra had come on one of those traces first in Anieb's village, and had followed them since. But they had not led him here. Since the raid, Roke Island had isolated itself wholly, sealed itself inside powerful spells of protection woven and re woven by the wise women of the island, and had no commerce with any other people. "We can't save them," Ember said. "We couldn't save ourselves."
