at. This language is innate to dragons, not to humans, as said above. There are exceptions. A few. Mostly the pupil was supposed to be with the Master, or studying the lists of names in the room where the lorebooks and wordbooks were, or asleep. Hemlock was a stickler for early abed and early afoot. But now and then Diamond had an hour or two free. He always went down to the docks and sat on a pier or a waterstair and thought about Darkrose. As soon as he was out of the house and away from Master Hemlock, he began to think about Darkrose, and went on thinking about her and very little else. It surprised him a little. He thought he ought to be homesick, to think about his mother. He did think about his mother quite often, and often was homesick, lying on his cot in his bare and narrow little room after a scanty supper of cold pea-porridge -- for this wizard, at least, did not live in such luxury as Golden had imagined. Diamond never thought about Darkrose, nights. He thought of his mother, or of sunny rooms and hot food, or a tune would come into his head and he would practice it mentally on the harp in his mind, and so drift off to sleep. Darkrose would come to his mind only when he was down at the docks, staring out at the water of the harbor, the piers, the fishing boats, only when he was outdoors and away from Hemlock and his house..knowing how, I found myself inside -- we were moving. "If that... if that's how we should begin." At that the Summoner ran up towards her, reaching out, lunging at her as if to seize and hold her. They were both on the hill now. She towered above him impossibly, fire breaking forth between them, a flare of red flame in the dusk air, a gleam of red-gold scales, of vast wings - then that was gone, and there was nothing there but the woman standing on the hill path and the tall man bowing down before her, bowing slowly down to earth, and lying on it..Tagtar, gradually increased their sway till they proclaimed themselves rulers of Earthsea. True Runes are not symbols only, but reifactors: they can be used to bring a thing or condition into being or bring about an event. To write such a rune is to act. The power of the action varies with the circumstances. Most of the True Runes are found only in ancient texts and lore-books, and used only by wizards trained in their use; but a good many of them, such as the symbol written on the door lintel to protect a house from fire, are in common use, familiar to unlearned people.."She bled again just now, and I couldn't stop it," Dory said. Tears ran out of her eyes and down.The weatherworker knew his trade, at least. Sea Otter sped south; they met summer squalls and choppy seas, but never a storm or a troublesome wind. They put off and took on cargo at ports on the north shore of O, at Ilien, Leng, Kamery, and O Port, and then headed west to carry the passengers to Roke. And facing the west Ivory felt a little hollow at the pit of his stomach, for he knew all too well how Roke was guarded. He knew neither he nor the weatherworker could do anything at all to turn the Roke-wind if it blew against them. And if it did. Dragonfly would ask why? Why did it blow against them?.celibate as anyone, sir."..He had power to raise huge waves on the sea, and to stop the tide or bring it early; and his voice could enchant whole populations, bringing all who heard him under his control. He went on. Between a." "Yours are perished." Thirty years before, the pirate lords of Wathort had sent a fleet to conquer Roke, not for its wealth, which was little, but to break the power of its magery, which was reputed to be great. One of the

wizards of Roke had betrayed the island to the crafty men of Wathort, lowering its spells of defense and warning. Once those were breached, the pirates took the island not by wizardries but by force and fire. Their great ships filled Thwil Bay, their hordes burned and looted, their slave takers carried off men, boys, young women. Little children and the old they slaughtered. They fired every house and field they came to. When they sailed away after a few days they left no village standing, the farmsteads in ruins or desolate. "Patterner," said the Doorkeeper, not at all surprised..my name but the wizard, and my mother. And they're dead, they're dead... Rose made a dim glow of werelight so that they could find their way through the marshy ground around the spring without falling in a sinkhole among the reeds. In the cold darkness under a few stars and the black curve of the hill, they stripped and waded into the shallow water, their feet sinking deep in velvet mud. The witch touched the girl's hand, saying, "I take your name, child. You are no child. You have no name.."..and was dumbstruck. Above the amphitheater-like sunken dial of the stop rose a multistory
