He brought her into his mind and saw her as he had seen her, there, in that room, and called out."What's wrong?" she asked. The gentleness of her deep, husky voice unmanned him, and he hid his face in his hands, fighting against the shame of tears."Moles," Diamond said. "Honestly, I feel like hiding underground. I always thought Father was going to make me learn all his kind of stuff, after I got my name. But all this year he's kept sort of holding off. I guess he had this in mind all along. But what if I go down there and I'm not any better at being a wizard than I am at bookkeeping? Why can't I do what I know I can do?".Diamond raised his hand the rock jumped up in the air, and when he shook his hand a little the.four mages stood on the path..liking, and her only lust was to learn what he could teach her..influence events in unintended or unexpected ways..".And you didn't. . .".They went on through darkness, seeing only the track before them in the dim silvery glow of werelight shot through by

"Well," Rose said, and dumped out the salt water on the bare dirt of the small front yard of her house, which, like most witches' houses, stood somewhat apart from the village. "Well," she said, straightening up and looking about vaguely as if for an answer, or a ewe, or a towel. "You have to know something about the power, see," she said at last, and looked at Dragonfly with one eye. Her other eye looked a little off to the side. Sometimes Dragonfly thought the cast was in Rose's left eye, sometimes it seemed to be in her right, but always one eye looked straight and the other watched something just out of sight, around the corner, elsewhere.. "No use," said the old wizard, grinning, "you're only wind and sunlight. Now I'm going to be dirt. Only in Pain did wizards combine the two practices, in the arcane, esoteric, and reputedly. "Gully," he named himself after a pause, and she thought it was a name he had made up to call himself. It did not fit him. Nothing about him fit together, made a whole. Yet she felt no distrust of him. She was easy with him. He meant no harm to her. She thought there was kindness in him, the way he spoke of the animals. He would have a way with them, she thought. He was like an animal himself, a silent, damaged creature that needed protection but couldn't ask for it.. "Walked." Religion was a unifying element even among the most warlike tribes. There were hundreds of Truce Places on the Four Lands,

where no warfare or dispute was permitted. Kargish religion was a domestic and community worship of the Old Powers, the chthonic or gaean forces manifest as spirits of place. They were worshiped at the site and at home altars with offerings of flowers, oil, food, dances, races, sacrifices, carvings, songs, music, and silence. Worship was both casual and ritual, private and communal. There was no priesthood; any adult could perform the ceremonies and teach children to do so. This ancient spiritual practice has continued, unofficially and sometimes in hiding, under the newer, institutional religions of the Twin Gods and the Godking.
