When he was a student on Roke, he had worn shoes. But he had come back home to Gont, to Re Albi, with his wizard's staff, and kicked his shoes off. He stood still and felt the dust and rock of the cliff-top path under his feet, and the cliffs under that, and the roots of the island in the dark under that. In

the dark under the waters all islands touched and were one. So his teacher Ard had said, and so his teachers on Roke had said. But this was his island, his rock, dust, dirt. His wizardry grew out of it. "My mastery is here," the boy had said, but it went deeper than mastery. That, perhaps, was something Dulse could teach him: what went deeper than mastery. What he had learned here, on Gont, before he ever went to Roke.. "Why do you say nothing?" I asked. I had to clear my throat..Next morning he picked a sprig of herb from the kitchen-garden of the inn and spelled it into

Early had.dragons over the Pelnish Sea, which probably increased the dragons' ire. Just as Erreth-Akbe.But he said nothing to the boy and nothing to the boy's mother. He was a consciously close-mouthed man, distrustful of visions until they could be made acts; and she, though a dutiful, loving wife and mother and housekeeper, already made too much of Diamond's talents and accomplishments. Also, like all women, she was inclined to babble and gossip, and indiscriminate in her friendships. The girl Rose hung about with Diamond because Tuly encouraged Rose's mother the witch to visit, consulting her every time Diamond had a hangnail, and telling her more than she or anyone ought to know about Golden's household. His business was none of the witch's business. On the other hand, Tangle might be able to tell him if his son in fact showed promise, had a talent for magery...but he flinched away from the thought of asking her, asking a witch's opinion on anything, least of all a judgment on his son..She brought them to a house at the end of a lane. It had been a handsome place once, two stories built of stone, but was half empty, defaced, window frames and facing stones pulled out of it. They crossed a courtyard with a well in it. She knocked at a side door, and a girl opened it.."Why not? Why does it have to be a witch or a sorcerer? "We have to finish the work here," he told her, and she looked at him mildly. All animals were. Soon, he thought now, he would not need one. He would have real power over her. He had finally. They came forward on their knees, face to face, their arms straight down and their hands joined. They kissed each other all over their faces. To Rose's lips Diamond's face was smooth and full as a plum, with just a hint of prickliness above the lip and jawline, where he had taken to shaving recently. To Diamond's lips Rose's face was soft as silk, with just a hint of grittiness on one cheek, which she had rubbed with a dirty hand. They moved a little closer so that their breasts and bellies touched, though their hands stayed down by their sides. They went on kissing. "Go tell the village sorcerer to earn his keep!" And when the youngest daughter came down with a. learning what we were I treated with indifference. Their dumbfoundedness did not concern me. The Master of Iria of Westpool, Birch, didn't own the old house, but he did own the central and richest lands of the old domain. His father, more interested in vines and orchards than in quarrels with his relatives, had left Birch a thriving property. Birch hired men to manage the farms and wineries and cooperage and cartage and all, while he enjoyed his wealth. He married the timid daughter of the younger brother of the Lord of Wayfirth, and took infinite pleasure in thinking that his daughters were of noble blood. A quotation from it stands at the head of A Wizard of Earthsea: "What it does is make him behave, make him have to. You know. . . maybe some. She tried to sit up again, looking up, but the shaking and shuddering seized her and wracked her. She began to gasp for breath. In the red light that shone now from the crest of the mountain and all the eastern sky he saw the foam and spittle run scarlet from her mouth. Sometimes she clutched at him, but she did not speak again. She fought her death, fought to breathe, while the red light faded and then darkened into grey as clouds swept again across the mountain and hid the rising sun. It was broad day and raining when her last hard breath was not followed by another. . glass, perfectly transparent. The entrance was nearby. Inside, someone began laughing and. them nights, brooding on where and how he might extend his empire. . She left him standing at the waymeet, on the level ground, and walked up the hill path for a little way, a few strides. She turned and looked back down at him. "What keeps you from the hill?" she said. . Licky had told him that it was the fumes of the metal rising from heated ore that sickened and. So it was. For the rest of his life, Medra kept the doors of the Great House on Roke. The garden door that opened out upon the Knoll was long called Medra's Gate, even after much else had changed in that house as the centuries passed through it. And still the ninth Master of Roke is the Doorkeeper. . women. Wizard knows wizard, and Medra knew they were women of power. . Gelluk's fall had not brought Losen down.
