White-haired Dune was so eager that Ember said he wanted to start teaching sorcery to every child in Thwil. Once Ember had come to believe that Roke's freedom lay in offering others freedom, she set her whole mind on how the women of the Hand might grow strong again. But her mind, formed by her long solitudes among the trees, always sought form and clarity, and she said, "How can we teach our art when we don't know what it is?".If Diamond had been born to that kind of power, if that was his gift, then all Golden's dreams and plans of training him in the business, and having him help in expanding the carting route to a regular trade with South Port, and buying up the chestnut forests above Reche -- all such plans dwindled into trifles. Might Diamond go (as his mother's uncle had gone) to the School of Wizards on Roke Island? "I'll walk her up," she said, standing up, and put out her hand for the reins. Ivory saw that he was supposed to dismount. He did so, asking, "Is it very bad?" and peering at the horse's leg, seeing only bright, bloody foam..Neither of them had been on Pody. It was a sleepy southern island with a pretty old port town, Telio, built of rosy sandstone, and fields and orchards that should have been fertile. But the lords of Wathort had ruled it for a century, taxing and slave taking and wearing the land and people down. The sunny streets of Telio were sad and dirty. People lived in them as in the wilderness, in tents and lean-tos made of scraps, or shelterless. "Oh, this won't do," Crow said, disgusted, avoiding a pile of human excrement. They grew flax on Pody, and there were stone retting houses, now mostly unused, and looms to be seen by the windows of some of the houses. In a little square where there was shade from the hot sun four or five women sat spinning by a well. Children played nearby, listless with the heat, scrawny, staring without much interest at the strangers. Tern had walked there unhesitating, as if he knew where he was going. Now he stopped and greeted the women..can we not find the balance? ". "He's dead," she said, "two years. The marsh fever. You have to watch out for that, here. The." "By the grace of water, that carries no scent," Otter said, standing up. A litter of walnut shells fell from his lap, and he took the hearth broom and swept them into the ashes.
