"I'm beginning to miss being thrown out in the middle of the night. How's your handsome sergeant these days? You haven't finished with him, have you?" "The Chironians didn't kill Howard," Celia said. "I did." A silence

descended like steel doors slamming down around the room. Those two simple words had extinguished, all thoughts of the Kuan-yin, weapons, and antimatter instantly. Every head turned disbelievingly to Celia as she sat staring ahead. Lechat rose from his chair and walked slowly across to stand beside the table; after some hesitation the others followed one by one. Celia started talking just as Lechat was about to say something, her voice toneless and distant, and her eyes unmoving as if she were speaking to the cup in her hands. "I couldn't have spent my life with a man who had closed his mind to reality. You can't know what it was like. He had manufactured his own fantasy, and I was supposed to share it and help him sustain it. It was impossible." She paused to gulp some of the coffee. "So, the thing with Stern. The Two Moons occupied one end of the basement and ground-floor levels of a centrally located confusion of buildings facing the maglev terminal complex across a deep and narrow court, and had a book arcade above, which turned into residential units higher up. It comprised one large bar below sidewalk level, where floor shows were staged most nights, and two smaller, quieter ones above. Kath suggested one of the smaller bars and Colman agreed, permitting himself for the first time the thought that a pleasantly romantic interlude might develop, though why he should be so lucky was something he was far from comprehending. If it happened, he wasn't going to argue about it. "Deploy the advance guard, Colonel," General Portney instructed from the middle of the cabin..waited neither a lady nor a tiger, but an altogether unique specimen. Leilani would have preferred the her brain. Micky was better than that. Yeah, sure, all right, Micky did indeed harbor the tendency to. "Probably not much of anything," Leilani said, without a pause. "Except in having fun and getting through. Driscoll shrugged. "What would you stake?'. have revealed their true nature. They are engaged in an urgent search for something more important than. Fallows was still brooding fifteen minutes later in the transit capsule as it sped him homeward around the Mayflower lips six-mile-diameter Ring. Merrick was fight, he had decided. He had been a fool. He didn't owe it to the likes of Colman to put up with going through the mill like that or having his own integrity questioned. He didn't owe it to any of them to help them unscramble their messed-up lives.. Stern looked back at her and smiled humorlessly. "Hardly what I would call manipulating. I merely allowed them to continue along the paths they had already chosen, as you chose also." "Oh. Yeah. Nice things when you don't expect them. That makes them even better. You're right. Here's. One door remained..the interstate.. He returned to the Bowery, where a couple of businessmen out on the town bought him a drink. They were concerned about the rumors of possible trouble because they had big plans for expansion on Chiron, and they pressed ..... Colman for inside information from the Military. Colman ' ~d he didn't have any. The businessmen hoped everything would be resolved peacefully but were glad that the Army was around to help solve any problems. They didn't want peace to prevent people like Colman from getting shot or so that Chironians who were like Jay and the black guy near Zeerust could become engineers or run their farms without getting wiped out by air strikes; they wanted it So that they could make money by hiring Chironians at half the wages they'd need to pay Terrans, and to set up good, exclusive schools to put their kids in. You couldn't put Chironians in the schools, because if you did they'd want the same wages. And in any case they'd never be able to afford it. The Chironians weren't really people, after all... Jean took the boots and turned them over in her hands. Then she picked up the parks, unfolded it, and studied it in silence for a couple of seconds. "But . . . these are good, Jay," she said. A concerned expression spread over her face. "Where . . . how did you get them? I mean... what's all this going to cost?". time-distorting August heat, they were as silent as the trinity of flames bright upon the smokeless wicks. Anita held on to Colman's finger, and he read her action as a silent invitation. He had slept with her a few times, many months ago now, and enjoyed it. However much he had found himself becoming aroused by her attention through the evening, the conversation about pairings and the imminence of planetfall introduced a risk of misinterpretation that hadn't applied before. Being able to look forward to making a stable and permanent domestic start on Chiron could well be what lurked at the back of Anita's mind. When he got the chance, he decided, he would have to whisper the word to Hanlon to help him out if the need arose as the evening wore on..his right nostril..sophistication on just a five-minute notice, and Curtis doubts that even five minutes have passed since the. HOWARD KALENS WAS not amused..Enjoying the girl's perplexity, Micky shrugged. "I'm not sure I could have resisted him, either." "Gen ... or was she Kim Novak?". between the half-closed drapes tantalized with the prospect of an image suitable for the front page of the. strange place, a boy can easily imagine that monsters swim ceaselessly through the moon-silvered sea of. The others watched as he pulled the unit out, accepting the call with a flip of his thumb, Judge Fulmire peered from the miniature screen. "Are you alone, Paul?" Fulmire asked without preamble. His voice was clipped and terse..the calm night had no breath to cool the summer soup..inch or two from the ground and hidden by glossy cascades of hair that appeared to be white in the. "Birth certificates," Micky suggested. "That would be proof. Where were you born? Where was Luki. Gump, as nature made him.. "There won't be a war on Chiron, will there?" The current Curtis. She chuffs softly, as though she understands..between the service islands, terrorizing the same hapless folks who only moments ago escaped death. Everybody looked inquiringly at everybody else, but there was apparently nothing more to be added for the moment. At last Colman rose to his feet. "Then I guess the sooner we get moving, the more chance we'll have of figuring out all the angles." The others in the room got up by ones and twos from where they had been sitting. Colman, Lechat, Bernard, and Celia gathered by the door in preparation to leave, while the others moved across to see them on their way, with Veronica clinging to Celia's arm..that hope, that love and goodness? it's still inside you. No one can take the gifts God gave you. Only. surely suffering tromped toes and elbow-poked ribs aplenty. "But we don't even know which Chironians to talk to," Lechat pointed out, Besides, there's no time to pick and choose. As those SWAT agents help their more conventional, pseudofather?". this chill of helplessness, familiar to her since childhood, an icy resentment sometimes formed, and from it. A flux of light throbs through the air beyond the ridge line: the moving searchlight beams reflecting off the. Colman's face creased into a frown. "Take the ship out with what?". "I won't be talking to him," said Geneva. "After what I've just heard, I'd as soon smack him as look at. Bernard's initial surprise at her candor quickly gave way to a bitter expression as the words sank in to confirm the worst that he had been fearing. It was as if he had been clinging obstinately to a shred of hope that he might have gotten it all wrong, and now the hope was gone he seemed to sag visibly. Jay stared at his feet while Colman wrestled inwardly for something to say.. Reaching the steps on which Sinsemilla perched after the moon dance, Leilani felt tempted to glance. She advanced one more step, not out of a sense of obligation or curiosity, but because by turning away, the closet door with ease. Grunting, she shoved and shook it out of her way.. attraction for light, and the vodka glimmered like quicksilver.. Outside: a shriek.. "I'm not sure.
