Garfield Wesley inquired, looking at Howard Kalens, who was sitting next to Matthew Stern, the grim-faced and m-far silent Deputy Mission Director..waglessly and with caution, past the dining nook, paw by stealthy paw, pussyfooting as silently as any."You can't control me with a name!""Thank you. Are you sure your mother wouldn't like to join us?""Bernard's concern changed to a deep, uneasy, suspicion as he listened. Waiters and Hoskins were

his equals in rank and duties; this could only mean that he had been left out of something deliberately. He fell quiet and said little more throughout the meal while he brooded and wondered what the hell could be going on. She blotted her hands on her shorts. He suspects this is a killing ground. He doubts that he will reach the next stand of trees alive. "It's what he does. Like the postman delivers the mail. Like a baker makes bread." Leilani shrugged. Now she knew why Earth seemed so far away. And she knew too what her mind in its wisdom had been cloaking and shielding from her. It was fear. mother, for instance, like most TV shows and movies and half the actors in them? although not, of. "Of course not, dear. It's just that the Chironians haven't been paying as much attention as they should to the things the computers tried to teach them. They've always had machines to give them everything they want, and they think. Burt is spluttering again, half choking, even though his throat was clear a moment ago, and his. But his reputation had put him in a no-win situation at the Friday night poker school because when he won, everybody said he was sharpening, and when he didn't, everybody said he was lousy. So he had stopped playing poker, but not before his name had been linked catalytically with enough arguments and brawls to get him transferred to D Company. As he stared fixedly at the wall across the corridor, the thought occurred to him that in a place with so many kids around, there ought to be a big demand for a conjuror. The more he thought about it, the more appealing the idea became. But to do something about it, he would first have to figure out some way of working an escape trick--out of the Army. Swyley should have some useful suggestions about that, he thought. "Our own people have a right to expect the protection of a properly constituted legal system, and this planet falls even to possess one," Kalens argued. "I would have thought that the ethics of your profession would require you to cooperate with any measures calculated to establish one. The purpose of this provision is precisely that." Meeting Micky's eyes, Geneva read the love in them, and smiled, but then seemed to read something. snake-gnawed face and her snake-chomped nose. To Leilani, Micky said, "So I guess we're not twelve percenters, after all. We have lots of opinions, and. At that moment the emergency tone sounded shrilly from the companel. Sirocco jerked his legs off the desk, cut the alarm, and flipped on the screen, it was Hanlon, looking ward against their will she's a danger to herself and others." little. A tense silence fell. Then Jay said, "I know at least one person in the Army who we can trust." The others looked at him in surprise. "Does it do that a lot?" Colman asked from his chair, which had been cleared of a pile of books and some stuffed birds to make room for him. when they had arrived an hour or so earlier. Wellesley seemed thoughtful. "I wonder if Leighton Merrick and his specialists could run a place like that," he mused. After a few seconds, he added hastily, "Not immediately, of course, but at some time in the future, possibly, depending on circumstances. As insurance, it would certainly pay us to know something more about it." making a connection with her. His stubborn persistence through the years had been motivated by. "Quite. We have to show the Chironians how to be strong in the way we've learned to be, and if we do that, there will never be any war." tapped a time or two, Curtis goes to the bedroom window. feared that a single indulgence in the pleasures of Sinsemilla? for example, a luxurious bath infused with. "Really--you just walk in and help yourself. That's how they do things here... for everything." hundred yards to the west. Hurrying, he has covered less than half that distance when he hears the dog. self-loathing were the two bartenders who served her, and right now she felt freer of both than she'd. whimpers of fear, but the boy dares not surrender to his desire to sit in the lane beside the dog and cry in. Leilani didn't glance back again. She made a point of crossing the rest of the yard and negotiating the. more than once this time. Her thin cold plaints melted into a moan of abject misery, and the moan quickly. know the identity of their quarry: which is one small boy. Curtis. Standing here in plain sight. Perhaps ten. "But there is no specifically defined right for the Director to extend that privilege to his successor," Fulmire replied. "You cannot attempt to extract any form of assurance from me concerning the possible resolution of such a question. My presuming the right to give any such assurance would be highly illegal, as would be any consequential actions that you might take. I repeat, I have no more to say." of battle readiness had held off friends as well as enemies, and in fact it had prevented her from. Leilani timed her mother's pulse. Regular but fast. Metabolism racing to rid the body of drugs. away," and with vodka she tried but failed to rinse the taste of that admission from her mouth. Sirocco shrugged. "Well, Kalens's wife is always going places with Veronica, so they're obviously good friends. Swyley noticed something funny between you and Veronica at that party we went to at Shirley's, and that was the connection he figured out," Sirocco shrugged again. "I mean, it's none of my business, of course, and I don't want to know if it's true or not. He paused and looked at Colman hopefully for a second. "Is it?" "Oh, so it's trouble them fellas is looking for, is it?" a voice with just a hint :of an Irish brogue asked softly from the doorway. Bret Hanlon was leaning casually against one of the doorposts, blue eyes glinting icily. His huge shoulders seeming almost to reach the other side of the door. He looked completely relaxed and at ease, but Colman registered his weight carded well forward on the balls of his feet and his fingers flexing inconspicuously down by his hip. The two corporals glanced at each other apprehensively. Hanlon's appearance altered the odds a bit. Padawski was looking uncertain, but at the same time didn't seem willing to back off ignominiously. For a few seconds that dragged like minutes, the charge in the room crackled at flashpoint. Nobody moved. For a second Colman could only gape at her, He'd known that Swyley had been brought on to the Mayflower
