Setting a host of many hundreds of men on its way so quickly had left little time for provisioning the ships. They overran the towns along the west shore of Ilien, taking what they wanted, and did the same on Vissti and Kamery, looting what they could and burning what they left. Then the great fleet turned west, heading for the one harbor of Roke Island, the Bay of Thwil. Early knew of the harbor from the maps in Havnor, and knew there was a high hill above it. As they came nearer, he took dragon form and soared up high above his ships, leading them, gazing into the west for the sight of that hill..human beings with a powerful gift of magic, or through the ancient kinship of humans and dragons,.And it was in these discussions that the school on Roke began."I didn't understand," Irioth said, "about the others.
