"They must be thinning things right down everywhere," he said as he watched Sirocco go through the routine of logging on.. "Classified information," Colman murmured. Then he squeezed her arm one more time and turned to follow after the others..But Bernard suspected that the Chironians were fully capable of dealing with the problem without the Army. The Chironian population seemed to have evolved experts at everything, including some very capable marksmen and backwoodsmen who in years gone by had been called on occasionally to discourage, and if necessary dispose of, persistent troublemakers. Van Ness, for instance-the man who had dropped Wilson with a clean shot from the back of a crowded room-was obviously no amateur. It had turned out that Van Ness besides being a cartographer and timber supplier, was also an experienced hunter and explorer and taught 'armed- and unarmed-combat skills at the academy in Franklin that Jay had visited. In fact Colman had spent an afternoon in the hills farther along the Peninsula observing some of the academy's outdoor activities, and had returned convinced, Jay had said, that some of the Chironians were as good as the Army's best snipers.. "Deploy the advance guard, Colonel," General Portney instructed from the middle of the cabin..The hunter has a handsome, potentially genial face. If he were to smile instead of glower, put on a mask.
