The faded photographs covered every level surface and clung to the walls like leeches. She had been quite a dish? forty years ago. She saw me looking at the photos and smiled. The make-up around her mouth cracked. And hi each drop of water on each strand of the web, the light was broken up as if through a tiny prism into blues and yellows and reds, As they looked, Jack sighed. "These are the colors of the Far Ram-bow," he said..waited for full summer to come. When it does, this whole planet will bloom. Then we can step outside. He turned for a moment to stare at the model of SP3 gleaming on the table beside him and then pointed to it. "Five years from now, that automated probe will leave the Sun and tour the nearby stars to search for habitable worlds... away from Earth, and away from all of Earth's troubles, problems, and perils. Eventually, if all goes well, it will arrive at same place insulated by unimaginable distance from the problems that promise to make strife an inseparable and ineradicable part of the weary story of human existence on this planet." Congreve's expression took on a distant look as he gazed at the replica, as if in his mind he were already soaring with it outward and away. "It will be a new place," he said in a faraway voice. "A new, fresh, vibrant world, unscarred by Man's struggle to elevate himself from the beasts, a place that presents what might be the only opportunity for

our race to preserve an extension of itself where it would survive, and if necessary begin again, but this time with the lessons of the past to guide it." Sixty overlay tracks and one com board between Jain and maybe a cool million horny, sweating toward the sound of her voice..another form, giving more details.
