"Little Medra!" he said, as if just discovering he was there. He patted think of her, to think of her that night, but she faded away. By the time he opened the door of. All this took only two days, and all the time Early was looking and probing toward Endlane village, sending Hound there before him, sending his own presentment there to watch. When he knew where the man was he betook himself there very quickly, on eagle's wings; for Early was a great shape-changer, so fearless that he would take even dragon form. "What brought you here, Azver?" the Namer asked. "I've often thought of asking you. A long, long way to come. And you have no wizards in the Kargish lands, I think." completely. A small mouth in an uncertain smile, the lips painted, the nostrils also red inside -- I. water and never enough to warm a man. The cowboys rode out and tried to round up the animals so got a girl, a town girl, to come to my room. My cell. My little stone celibate cell. It had a. "Is she misnamed?" the Doorkeeper asked the Namer. Nobody would touch him. They stared from a distance at the heap lying in the doorway of San's house. San's wife wept aloud up and down the street. "Bad cess! Bad cess!" she cried. "Oh, my babe will be born dead, I know it!". There's an old pallet in the woodhouse. Air it. Don't bring mice in with it." And he stalked off and spat. "Avert," he said. all the eastern sky he saw the foam and spittle run scarlet from her mouth. Sometimes she clutched. "When he gets himself a girl," Golden said, in answer to whatever it was she had been saying. the Patterner. to get up and walk that the young man lurched to his feet and stumbled several steps, almost strongest. But there the Enemy followed her, intent to make her his prisoner and slave. She took days. Then one morning, in rebellious mood, he stayed by the stream while Ember walked into the thick grey hair flowed loose about his face. "I know you found that little patch for them to dig. And then I..." He paused a while. There came on me what my people call the eduevanu, the other. "Wait," she said. "It seems that you don't understand a thing. After all, I gave you brit." "This is a great thing," I muttered. After a moment, I added, "But it would have been. Since we none of us have any sex, us wizards, do we? What matters is whose house we live in. It." "If you ask me to, I'll talk," the young man said, so earnest, so willing to deny his whole nature. Dulse thought sometimes in those years about sons and fathers. He had quarreled with his own father, a sorcerer-prospecter, over his choice of a teacher; his father had shouted that a student of Ard's was no son of his, had nursed his rage and died unforgiving. He sat up. The dark sea was so quiet that the stars were reflected here and there on the sleek lee. great fleet to destroy it. He was destroyed, and his fleet scattered. half tun barrels. That's ours," Ivory said, and the ship's master said, "Bound for Hort Town," and "Probably we can't," said the Herbal. "If the Windkey locks the winds against us ..." sun. "She'll be all right," she said. "There's a gash, but if you'll wash it with warm salt water. Men and women of the Hand had joined together on Roke a hundred or more years ago, forming a league of mages. Proud and secure in their powers, they had sought to teach others to band together in secret against the war makers and slave takers until they could rise openly against them. Women had always been leaders in the league, said Ember, and women, in the guise of salve sellers and net makers and such, had gone from Roke to other lands around the Inmost Sea, weaving a wide, fine net of resistance. Even now there were strands and knots of that net left. Medra had come on one of those traces first in Anieb's village, and had followed them since. But they had not led him here. Since the raid, Roke Island had isolated itself wholly, sealed itself inside powerful spells of protection woven and re woven by the wise women of the island, and had no commerce with any other people. "We can't save them," Ember said. "We couldn't save ourselves." "Can I know the secret?" he asked after a while. at the old sites. They were despised or abused for doing so. Wizards kept clear of such places. On. would not show up until she was out on the open sea) he could not keep from his teachers what he. When he came home he had a three-year-old daughter with him. He turned her over to the housekeeper. Her brother came in. "Come on out," he said to her as soon as he saw the curer dozing on the settle. She stepped outside with him. He was shaking his head all through her speech. "No, no, no. Hopeless. Useless. Fatal!". They were both shy. When Medra took her hand his hand shook, and Ember, whose name was Elehal, "Hah!" said Golden. "Well! I will say I'm glad of it, son." He ate a small porkpie in one thoughtful. "Powers you have, yes, all kinds of little traits and tricks. A clever lad. But not teachers on Roke had said. But this was his island, his rock, dust, dirt. His wizardry grew out of. set in the lid, which seemed a kind and pretty gift to Diamond and his mother. But Golden was a DRAGONS. He pulled up some grass and rubbed at the slimy mud on his feet and legs. It was not dry yet, and the top of his staff, a light staff of some greyish wood. The door opened as a resonant voice. The sorcerer came out from behind San. His name was Ayeth. The power in him was small, tainted, corrupted by ignorance and misuse and lying. But the jealousy in him was like a stinging fire. "I've been coming doing business here some ten years," he said, looking lrioth up and down. "A man walks in from somewhere north, takes my business, some people would quarrel with that. A quarrel of sorcerers is a bad thing. If you're a sorcerer, a man of power, that is. I am. As the good people here well know." "Your dad says not.". They walked a half-mile or so. The Knoll rose up full in the western sun on their right. Behind now what it once was- if we had more people of the true art gathered here, teaching and learning. "To say?". "Your fear. Did you think I would attack you, or what? But that's ridiculous!". But ever the other will be the same. "It's a half mile on," said Gift. And summoning, which is. "He was only a child, and the wizards of that household can't have been wise men, for they used little wisdom or gentleness with him. Maybe they were afraid of him. They bound his hands and gagged his mouth to keep him from making spells. They locked him in a cellar room, a room of stone, until they thought him tamed. Then they sent him away to live at the stables of the great farm, for he had a hand with animals, and was quieter when he was with the horses. But he quarreled with

a stable boy, and turned the poor lad into a lump of dung. When the wizards had got the stable boy back into his own shape, they tied up the child again, and gagged his mouth, and put him on a ship for Roke. They thought maybe the Masters there could tame him."back into the house. "Oh, dear," she said, and burst into tears..On the island of Ark, and in Orrimy on Hosk, and down among the Ninety Isles, there are tales about a man who came seeking for a land where people remembered the justice of the kings and the honor of wizards, and he called that land Morred's Isle. There's no knowing if these stories are about Medra, since he went under many names, seldom if ever calling himself Otter any more. Gelluk's fall had not brought Losen down. The pirate king had other wizards in his pay, among them a man called Early, who would have liked to find the young upstart who defeated his master Gelluk. And Early had a good chance of tracing him. Losen's power stretched all across Havnor and the north of the Inmost Sea, growing with the years; and the Hound's nose was as keen as ever..He looked over at her..there in his small, brave, brief humanity, his mortality, defenseless.
