error is that all proofs must be of the "hard" kind, i.e., cut-and-dried and susceptible of presentation in syllogistic form. An acquaintance with the modern philosophy of science would disabuse people of this notion; even a surprising amount of scientific proof is not of this kind. As philosophers since Plato have been pointing out, aesthetic and moral matters are usually not susceptible of such "hard" proof..deliberately..Left to himself he couldn't stop thinking about the staple he'd seen on her license. It was like the seemingly insignificant clue in a detective story from which the solution to the whole mystery gradually unfolds. For didn't it strongly suggest that she too had been given the benefit of the doubt that she'd got her license not because her score entitled her to it, but thanks to Bylaw 9(c), Section XII?
