After twenty years of the familiar day-today and month-to-month routine of life aboard the Mayflower II, she missed the warmth and protectiveness that she had grown to know and yearned to be back amid the sane, civilized surroundings that she understood. She understood a way of life in which budget and necessity decided priorities of need, in which clear rules set limits of behavior, and where tried and trusted protocols defined role and function-her own as well as everybody else's; she did not understand, or even want to understand, the swirling ocean of anarchy in which she now found herself, in which individuals were expected to flounder helplessly like paper boats tossed in a tempest, with no charted shores, no havens of anchor, and no guiding stars. She had no place in it, and she desired no place in it. Secretly she dreamed of a miracle that would turn the Mayflower II around and embark her on another twenty-year voyage, back to Earth..murdered family in Colorado. "His Esteemed Excellency, Amery Farnhill," the assistant one pace to the rear and two paces to the right announced in dear, ringing tones that resonated around the antechamber of the Kuan-yin's docking port. "Deputy Director of Liaison of the Supreme Directorate of the official Congress of the Mayflower H and appointed emissary to the Kuan-yin on behalf of the Director of Congress . . ." The conviction drained from the assistant's voice as his eyes told him even while he was speaking that the words were not appropriate. Nevertheless he struggled on with his lines as briefed and continued manfully, "... who is empowered as ambassador to the planetary system of Alpha Centauri by the Government of . . ." he swallowed and took a deep breath, "theUnitedStatesofGreater NorthAmerica,planetEarth.'.advises..herself under the right circumstances.. Lechat Eked..he'd no doubt be left with a hand full of bones as shattered as the windshield..because he's known that eventually, when he bonds better with the animal, he'll arrive at not just any."I've heard about you." It could only have been from the Chironians he had talked with earlier. Why would they mention his name to her? Who was she? She came nearer and smiled. "My name is Kath. I have some connection with the technical aspects of what goes on here. From what I've heard, I'd imagine you'd find this an interesting place. Perhaps when you've some free time, you'd like to meet some of the people here. If you like, I could mention it to them.. "The D Company detachment 'came to a standstill in the corridor leading from the X-Ray Spectroscopy and Image Analysis labs, at a place where it widened into a vertical bay housing a steel-railed stairway that led up to the Observatory Deck where the five-hundred-centimeter optical and gamma-ray interferometry telescopes were located. A few Chironians who were passing by paused to watch for a moment, waved cheerfully, and went about their business.. "I'm not that hung up about it," Colman insisted, not for the first time. "Maybe it is like some of the guys think, and maybe it's not. Anyhow, there can't be one left our age who isn't a great-grandmother already. Look at the statistics . . .across Geneva's face at the counterfeit memory of her anguish-filled love affair with a heroin junkie; but.The SD sergeant half rose from his seat. disturbing even than the grinning man's obsession with his teeth is the fact that otherwise he to match Geneva's smile. Instead, the girl's cocky cheerfulness melted into melancholy. Her clear eyes erating capacity for practically this whole area, and a great deal of materials via a variety of interdependent processes," Farnhill informed the meeting. "Primary metals and chem-."Really. It's a rosebush." "Exactly what I was thinking," Wellesley commented, nodding. "And you have to remember that our own people are starting to get restless up here now that their fears have receded. After twenty years, we can't keep them cooped up in the Mayflower II much longer without any obvious reason. They've got accommodations prepared by the space-base at Franklin. I'm inclined to say we should start moving the first batches down. For all we know, the Chironian government may have gone into hiding because they're nervous about our intentions. It might be a good way of enticing them to come out again." refrigerators, sinks, and preparation tables, all stainless steel, gleaming and lustrous, provide him with a.Farnhill looked uneasy and seemed a trifle awkward. "Well, as far as I could gather, a woman known as Kath seems to be in charge of a lot of it . . . as much as anybody's in charge of anything in this place. I haven't actually met her though." Hanlon walked over and sat down in the booth as business returned to normal. "They hew you were here, Steve. I heard them talking in the back of Rockefeller's. So I thought I'd come back down and hang around." "You want me to prevail upon Howard to prevent his destroying himself." And girls like you are stomped.final bill you mentioned?". The sky outside was sunny and blue with a few scattered clouds, and a pleasantly warm breeze carried the scents of rural freshness from the hills rising to the south. Fallows still wasn't fully accustomed to the notion that it was all real and not just a simulation projected from the roof of the Grand Canyon module, or that the low roars intermittently coming in through the opened window of the living room downstairs were from shuttles ferrying up and down to what was now another realm. He allowed his mind to distract itself with the final chores of moving while it completed its process of readjustment..Kath's pocket communicator buzzed, and she took it out to answer. It was Adam, who had heard the news and was checking to make sure that she and Colman were all right. Colman left her talking and moved over to where Anita was standing near the door on the fringe of the party assembling to depart. "Why'd you ever get mixed up with that bunch?" he murmured.
