"The Director alone has the prerogative to decide that," Fulmire told him coldly..Corporal Swyley wasn't saying anything, which was significant because Swyley was usually a pretty good judge of what was what. His silence meant that he didn't agree with what was being said. When Swyley agreed with something, he said he didn't agree. When he really didn't agree, he said nothing. He never said he agreed with anything. When he had decided that he felt fine after the dietitian discovered the standing order for spinach and fish, the Medical Officer hadn't been able to accuse him of faking anything because Swyley had never agreed with anybody that he was sick; all he'd said was that he had stomach cramps. The M.O. had diagnosed that anybody with stomach cramps on his own time had to be sick. Swyley hadn't. In fact, Swyley had disagreed, which should have been obvious because he hadn't said anything..grassy scent overlays the more subtle smell of rich, raw soil..Speed 300 miles per second; distance to destination, 493 million miles. Course-correction effected to bring the ship round onto its final approach..MRS. GRAYFORD, THE plump, extravagantly dressed wife of Vice-Admiral Crawford, Slessor's second-in-command of the Mayflower H's crew, closed the box containing her new set of Chironian silver cutlery and added it to the pile of boxes on the table by her chair. Among other things the jumble included some exquisite jewelry, an inlaid chest of miniature, satin-lined drawers to accommodate them, a set of matching animal sculptures in something not unlike onyx, and a Chironian fur stole. "Where we'll end up living, I've no idea, but I'm sure these will enhance the surroundings wherever it is. Don't you think the silver is delightful? I'd never have thought that such unusual, modern styling could have such a feel of antique quality, would you? I must return to that place the next time I go down to Franklin. "Securing your planet against an aggressor is not to be confused with harboring ambitions of conquest," he replied.."So what about the nuts?" Jay asked. "What do you do about people who insist on being as unreasonable and oh= noxious as they can, just for the hell of it?" "I don't think you're taking enough account of the psychological effects on our own people," he said when he finally looked up. "Morale is high now that we're nearly there, and I don't want to spoil it. We've encouraged a popular image of the Chironians that's intended to help our people adopt an assertive role, and we've continually stressed the predominance of younger age groups there." He shook his head. "Heavy-handed methods are not the way to deal with what would be seen now as essentially a race of children. an army, it's probably a good thing because it'll save us the time and effort of having to show them how. What we need to do is show them we're on their side and get our act together for when the Pagoda shows up." The EAF starship was designed differently from the Mayflower II. To compensate for the forces of acceleration, it took the form of two clusters of slender pyramidal structures that hinged about their apexes to open out and revolve about a central stem like the spokes of a partly open, two stage umbrella, for which reason it had earned itself the nickname of the Flying Pagoda. Terry sipped her drink and looked around the table. "The guy's got it figured realistically. You see, there's no need for a fight. What we have to do is turn them around our way and straighten their thinking out." "If you say so. Do I have a choice?". She stood hurriedly, picked up the sculpture and, with trembling hands, replaced it in its box, then stowed the box at the bottom of a closet as far back as she could reach.. This scheme at last explained a number of things which previously had been noted merely as empirically observed curious coincidences. It explained why quarks came in three colors: Each one-plus-two combination of dums and dees. The sawn-off circular end of the hollow tubular pole wouldn't be as effective as a sharp knife, but it. The girl stamped her left foot on the ground, causing the leg brace to rattle softly. She raised her left. Colman nodded thoughtfully to himself and conceded the point. "Any ideas?". She seldom spoke, and never recognized Noah. If she possessed any memory whatsoever of the days. "Make for the bridge and wait there," Colman told her. "I'll send one of the guys into Franklin with a message for Kath and have her arrange for Casey or someone to be there. SD patrols could be prowling around, or anything. Best not to risk it." Veronica nodded her assent.. "Yes, I was about to come to that," Sirocco replied. He lifted his head a fraction to address the whole room again. "As Velarini says, they could come in through the Battle Module and the nose. The Battle Module is the main problem. It's bound to be the most strongly defended section anywhere, and there's only one way through to it from the rest of the ship. Therefore we assault it directly only if all else fails. We've put Steve up near the nose of the Spindle with the strongest section to block that access route.
