But when his thoughts settled down and began to run clearer, he knew that he could not defeat a wizard of great craft and power, even if that wizard was mad. If he had any hope it was to play on his madness, and lead the wizard to defeat himself..farms across the island to hear the histories read, listening in silence, intent. "Our souls are."Yes, but not completely. Maybe a little. But surely you didn't think that I. . .".Mead looked at her sister. "Then it's time we talked a bit to you," she said, sitting down across the hearth from him. Ayo stood by the table, silent. A good fire burned in the hearth.
