"You know what I think?" Micky asked.. "Yes, I knew I was in danger, but that was secondary," Celia told them. "I still can expose the lie. I'm willing to repeat publicly all I've said and all that I know..to the people, the Army, the Chironians..to anybody who can stop him. The system that gives people like Stern what they want drove my husband mad and then sacrificed him. There must be no more sacrifices. That was why I had to get away..". "We had to try," Wellesley insisted from beside Lechat. "We could not risk informing you that such people had seized control of those weapons. The decision was mine and nobody else's..".Stanislau took a long draught from his glass and made a what-the-hell? gesture. "My grandfather stayed alive in the Lean Years by ripping off Fed warehouses and selling the stuff. He could bomb any security routine ever dreamed up. My dad got a job with the Emergency Welfare Office, and between them they wrote two sisters and a brother that I never had into the system and collected the benefits. So life wasn't too bad." He shrugged, almost apologetically. "I guess it got to be kind of a tradition... sort of handed down in the family..".Jean spun round and ran back to the elevator. Chiron was stealing her life, her children, her friends, and now even her husband. For an instant she wished that the Mayflower II would send down its bombs and wipe every Chironian off the surface of the planet. Then they would be able to begin again, cleanly and decently. Ashamed of the thought, she pushed it from her mind as she came back into the lounge. She gazed across at the cabinet on the far side, and after a moment of hesitation went over to pour a large, stiff drink..Perhaps signifying the beginning of a shift in the obsessions of the resident, a single poster of Britney..He's what?".for electricity. Now she'd be sticking her finger in a socket about ten times a day. She's an addict..". "I've heard about you." It could only have been from the Chironians he had talked with earlier. Why would they mention his name to her? Who was she? She came nearer and smiled. "My name is Kath. I have some connection with the technical aspects of what goes on here. From what I've heard, I'd imagine you'd find this an interesting place. Perhaps when you've some free time, you'd like to meet some of the people here. If you like, I could mention it to them..". "I knew they were faithless, shiftless," Geneva continued..Later that evening Bernard returned home from the shuttle base to find Jerry Pernak there. Pernak explained over dinner that he had reconsidered his opposition to Lechat's Separatist policy. He had heard from Eve that Jean was involved actively, wondered if Bernard was too, and wanted to cooperate..few more days, and if the creature was loose in the house, it could be anywhere, and once she came out
