acquire this specific guide as among the compromises has become ready. Sitting up in bed, he passed a little time reading favorite, marked passages in Zedd's *You Are the World*. The book presented a brilliant argument that selfishness was the most misunderstood, moral, rational, and courageous of all human motivations..Why Cain, even if he was the father, should be interested in the little girl was a mystery to Tom Vanadium. This totally self-involved, spookily hollow man held nothing sacred; fatherhood would have no appeal for him, and he certainly wouldn't feel any obligation to the child that had resulted from his assault on Phimie..On the morning of November third, Barty asked Maria to inquire of Agnes what she would like to have read to her. "Then when she answers you, just turn and leave the room. I'll take it from there."..As though he were home to a species of termites that preferred the taste of men to that of wood, Vanadium felt a squirming in his marrow..Flanked by Dumpsters and trash cans, through steam rising out of grates in the pavement, past parked delivery trucks, here came the dead cop. Running..Slow deep breaths. Per Zedd, slow deep breaths. Any state of anxiety, regardless of how powerful, could be ameliorated or even dissipated..His request felt like an assault. Agnes almost rocked backward as though struck..Tom between curiosity and emotional exhaustion, Celestina held his gaze, thinking, and finally she said, "Deal."..Perhaps his sister intuited what Edom was about to say, because she didn't let him get started.."I never spoke with God--Nor visited in Heaven--Yet certain am I of the spot--As if the Checks were given."..Their station wagon stood along the service road, at least a hundred yards from the grave. With no wind to harry it, the rain fell as plumb straight as the strands of beaded curtains, and beyond these pearly veils, the car appeared to be a shimmering dark mirage..Junior poured half the vodka over the corpse, splashed some around other parts of the kitchen, and spilled the last on the cook top, where it trickled toward the active burner. This was not an ideal accelerant, not as effective as gasoline, but by the time he threw the bottle aside, the spirits found the flame..Frowning, Agnes said. "Yes, those stories. Sweetie, when Uncle Edom and Uncle Jacob go on about big storms blowing people away and explosions blowing people up ... that's not what life's about."..Your mother's wise," Paul said. "More than all the owls in the world," the boy agreed..The problem was Celestina in the Buick, because when she saw what was happening, she might slide behind the steering wheel and speed away. The engine was running, white plumage rising from the tailpipe and feathering away in the fog, so she might escape if she was a quick thinker..Edom, who had never made it big, medium, or little, watched his sister blur before him. He strove to contain the shimmering hotness in his eyes. His love was not for magic, and his pride was not in any skill he possessed, for he possessed none worth noting. His love was for his good sister; she was his pride, too, and he felt that his small life had precious meaning as long as he was able to drive her on days like this, carry her pies, and occasionally make her smile..In his entire life, Junior had never suffered this much pain without first having killed someone. Reluctant to depart until certain that his student was out of danger physically, emotionally, and mentally, Bob Chicane stayed until three thirty. When he left, he broke some bad news to Junior: "I can't keep you on my student list, man. I'm sorry, but you're way too intense for me. Way too intense. Everything you do. All the women you run through, this whole art thing, whatever all those phone books are about-now even meditation. Way too intense for me, too obsessive. Sorry. Have a good life, man."..They introduced themselves as Knacker, Hisscus, and Nork, but Junior didn't bother to associate names with faces, partly because the men were so alike in appearance and manner that their own mothers might have had difficulty figuring out which of them to blame for never calling. Besides, he was still tired from his recent ramble through the hospital-and unnerved by the thought of some baleful-eyed Bartholomew prowling the world in search of him.."Maybe it's not where the heart is," Wally corrected himself. "Maybe it's where the buffalo roam."..you greater strength and determination than any other motive. But you should know this much.... You need to keep her safe for another reason. She's special. I don't want to explain why she's special or how I know that she is, because this isn't the time or place, not with your dad's death and Wally in the hospital and you still shaky from the attack."..In answer, Wally came running with his heavy medical bag, as he was vow doctor to some people on the pie route. "The weather's a lot better than I expected, so I went back to change into lighter clothes."..The old woman crumpled with a papery rustle, as though she were an elaborately folded piece of origami. She would be unconscious for a while, and after she came around, she probably wouldn't remember who she was, let alone what make of car she'd been driving, until Junior was well out of Eugene..Polio, largely an affliction of younger children, had stricken her two weeks before her fifteenth birthday. Thirty years ago..ANGEL WAS DRESSED in as much red as the devil himself: bright red shoes, red socks, red leggings, red skirt, red sweater, and a knee length red coat with a red hood..Although she already knew that the answer could not be cheerily optimistic, Celestina wondered, "Is the baby likely to be . . . normal?"..Near midnight, she returned to her apartment. Lights out, in bed, staring at the ceiling, she was unable to sleep..Nor could she begin to imagine the nature of the disaster that had befallen him, leaving his face looking blasted and loose at all its hinges. She had last seen him at Phimie's funeral. A few minutes ago at her doorstep, she'd recognized him only because of his port-wine birthmark..Golden lamplight gilded the front windows downstairs. He would sit with Victoria on the living-room sofa, sipping wine as they got to know each other. She might tell him to call her Vicky, and maybe he'd ask her to call him Eenie, the affectionate name Naomi had given him when he wouldn't tolerate Enoch. Soon, they would be necking like two crazy kids. Junior would disrobe her on the sofa, caressing her smooth pliant body, her skin buttery in the lamplight, and then he would carry her, naked, to the dark bedroom upstairs..If blood tests revealed that Junior wasn't the father, Vanadium would have a motive. It wouldn't be the right motive, because Junior truly hadn't known either that his wife was pregnant or that she was possibly screwing around with another man. But the detective would be able to sell it to a prosecutor, and the prosecutor would convince at least a few jurors..Celestina told them about Nella Lombardi and about the message Phimie delivered to Dr. Lipscomb after being resuscitated. "Phimie was, . . . so special. There's something special about her baby, too."..CLOUDS SWARMED THE late-afternoon sun, and the Oregon sky grew sapphire where still revealed. Cops gathered like bright-eyed crows in the lengthening shadow of the fire tower..Maria arrived early, expecting to assist with final details in the kitchen. Though honored to be a guest, she wasn't able to stand by with a glass of wine while preparations remained to be made..Edom marveled at Agnes's ability to rise above the past and to transcend so many years of torment. She was able to see the house as simple shelter, whereas to her brothers, it was-and always would be-the place in which their spirits had been shattered. Even living within sight of it would have been out of the question if they had been employed, with options..He had been walking ever since, two and a half years, with brief respites in Bright Beach..Out of the car, along the sidewalk, up the steps, from Mercedes to mist to murder. Pistol in his right hand, lock-release gun in his left, three knives in sheaths strapped to his body..Finally: "A trial lawyer, whether specializing in criminal or civil matters, is like an actor, Mr. Cain. He must believe deeply in his role, in the truth of his portrayal, if he's to be convincing. I always believe in the innocence of my clients in order to achieve the best possible

settlement for them." He was Father Tom again, having recommitted to his vows three years previous. At his request, the Church had assigned him as the chaplain of Pie Lady Services..After coffee had been served, when Celestina and Wally were no longer the center of attention, he indicated the array of desserts with his fork, smiled, and said, "I just want you to know, Celie, that these are sweets enough until we're married.".Fragments of the broken wineglass crunched under his shoes as he crossed the small kitchen to the dinette. He opened the bottle of vodka and put it on the table in front of the dead woman..of the deceased. This memorial was modest, neither large nor complicated in design. Nevertheless, often the carvers in this line of business followed days after the morticians, because the stones to which they applied their craft demanded more labor and less urgency than the cold bodies that rested under them..The detective gazed at the cash as longingly as a glutton might stare at a custard pie, as intensely as a satyr might ogle a naked blonde. "Impossible. Too damn much integrity in their system. You might as well ask me to go to Buckingham Palace and fetch you a pair of the queen's undies.".Regrettably, his radiant smile only emphasized, by contrast, the dire shortcomings of the face from which it beamed. Lumpish, pocked, wart-stippled, darkened by a permanent beard shadow with a bluish cast, this countenance was beyond the powers of redemption possessed by the best plastic surgeons in the world, which was no doubt why Nolly applied his resources strictly to dental work..Heart racing, but reminding himself that strength and wisdom arose from a calm mind, Junior stood in the center of the small kitchen, slowly turning to study every angle of the room..Celestina sensed an easy camaraderie between these two men, but also tension that was perhaps related to the reference to an illegal search..Hesitantly, the ivory tickler shook hands. "I'm ... uh ... I'm Ned Gnathic. Everyone calls me Neddy..".There's a valuable lesson in that," Agnes said. "Others can learn from it if you care to share. But if you want to record your life only up to the card cheating, that's okay, too. Even that far, it's a fascinating journey, a story that shouldn't be lost with you when you pass on. Libraries are packed with biographies of movie stars and politicians' most of them not capable of as much meaningful self-analysis as you'd get from a toad. We don't need to know more about celebrities' lives, Obadiah. What might help us, what might even save us, is knowing more about the lives of real people who've never made it even medium but who know where they came from and why..".And here, now, into the kitchen through a door with a porthole in the center. Into sizzle and clatter, into clouds of fried-onion fumes and the mouthwatering aromas of chicken fat and shoestring potatoes turning golden in deep wells of boiling cooking oil..Junior intended to pack only a single bag, leaving most of his clothes behind. He could afford a fine new wardrobe..".Your mind is as fascinating as ever," he said. "Your soul as beautiful. Listen, Per, since we were thirteen, I was never primarily interested in your body. You flatter yourself shamelessly if you think it was all that special even before the polio..".Angel moved her hand to Barty's right eye, and again he didn't twitch with surprise when her fingers lightly touched his closed and sagging lid. "I won't let you forget..".Only two explanations occurred to him. First, bureaucracies slavishly follow the rules even when the rules make no sense. Second, the Ugliest Private Detective in the World, Nolly Wulfstan, was an incompetent dunce..Junior was not immune to traditional logic, but in this case he recognized the superior wisdom of Zedd's philosophy. His dread of Bartholomew and his gut-level animosity toward a child he'd never met defied all reason and exceeded simple paranoia; therefore, it must be purest, infallible animal instinct..With every step through the long night walk, Paul had considered what he would say, must say, if this encounter ever took place. Now all his practiced words deserted him.
