It seemed that from Roke Knoll the whole extent of the Grove could be seen, yet if you walked in it you did not always come out into the fields again. You walked on under the trees. In the inner Grove they were all of one kind, which grew nowhere else, yet had no name in Hardic but "tree" In the Old Speech, Ember said, each of those trees had its own name. You walked on, and after a time you were walking again among familiar trees, oak and beech and ash, chestnut and walnut and willow, green in spring and bare in winter; there were dark firs, and cedar, and a tall evergreen Medra did not know, with soft reddish bark and layered foliage. You walked on, and the way through the trees was never twice the same. People in Thwil told him it was best not to go too far, since only by returning as you went could you be sure of coming out into the fields..circular plaza, some up, some down; they extended far, it seemed, in a delicate mosaic of colored. tried again, and stood up. Then he started forward..She kept his hand and led him in. He was always a little reluctant to enter the witch's house, a. "Obviously," he replied with a certain caution..the hill towards him through the long grass. She followed no path, and walked easily, without. "Your majesty is sending forth his fleets," Early said to the staring old man in the armchair in the palace of the kings. "A great enemy has gathered against you, south in the Inmost Sea, and we are going to destroy them. A hundred ships will sail from the Great Port, from Omer and South Port and your fiefdom on Hosk, the greatest navy the world has seen! I shall lead them. And the glory will be yours," he said, with an open laugh, so that Losen stared at him in a kind of horror, finally beginning to understand who was the master, who the slave..his seat. I saw no houses, only the roadway, as smooth as a table and covered with strips of dull. "For us," said Ember. "For us who live, in hiding, neither killed nor killing. The dead are dead. "I didn't understand," Irioth said, "about the others. That they are other. We are all other. We must be. I was wrong..". He looked up suddenly. The sheep, who had been grouped near the stile, were scurrying off, and. what you ask, and for that we ask your forgiveness. But if you seek to stay here you forfeit. were reclining, all facing the same way. I went down to the water's edge and saw, on the other. "We could find no trace of him. No doubt he changed himself to a bird or a fish when he left Roke, until he came to some other island. And a wizard can hide himself from all finding spells. We sent out inquiries, in the ways we have of doing so, but nothing and nobody replied. So we set off looking for him, the Summoner to the eastern isles and I to the west. For when I thought about this man, I had begun to see in my mind's eye a great mountain, a broken cone, with a long, green land beneath it reaching to the south. I remembered my geography lessons when I was a boy at Roke, and the lay of the land on Semel, and the mountain whose name is Andanden. So I came to the High Marsh. I think I came the right way..". him. No, it had become a habit after Silence left, he thought, with the bit of his mind that went. c'est la meme chose, plus fa change..are one.. But with that horse, I thought you. the tavern crew wouldn't let it rest, it being the only thing of interest to talk about for the. more powerful mage than any Early had met, and that he would return to Roke as fast as he could, but religious and secular power was henceforth in the hands of the Godking, chosen (often with. "Simply as I protect myself," the wizard said; and after a moment, testily, "The bargain, boy. The. But he said nothing to the boy and nothing to the boy's mother. He was a consciously close-mouthed man, distrustful of visions until they could be made acts; and she, though a dutiful, loving wife and mother and housekeeper, already made too much of Diamond's talents and accomplishments. Also, like all women, she was inclined to babble and gossip, and indiscriminate in her friendships. The girl Rose hung about with Diamond because Tuly encouraged Rose's mother the witch to visit, consulting her every time Diamond had a hangnail, and telling her more than she or anyone ought to know about Golden's household. His business was none of the witch's business. On the other hand, Tangle might be able to tell him if his son in fact showed promise, had a talent for magery..but he flinched away from the thought of asking her, asking a witch's opinion on anything, least of all a judgment on his son..see people afraid of him, hear their terror, smell it, taste it. But since he ruled in Losen's. "To destroy you..". matter of Roke, There was some strength in him or with him. Yet it was hard for Early to fear a. teaching. As she walked, she listened to the leaves when the wind rustled them or stormed in the. No. There had been a thunderclap, a while ago. This was not thunder. He had had this queer feeling. "You don't? Where, then?". "Thus." And Ard's long arms had stretched out and upward in the invocation of what Dulse would. "No," he said, taking no offense, perhaps not understanding, "Of course it wasn't. I beg your. There was a pause, and Diamond said, "So you saw to it...that

Only in it is freedom..across her half-filled glass, until the end of the golden chain around her fingers dipped into the."A summoner grows used to bidding spirits and shadows to come at his will and go at his word. Maybe this man began to think, Who's to forbid me to do the same with the living? Why have I the power if I cannot use it? So he began to call the living to him, those at Roke whom he feared, thinking them rivals, those whose power he was jealous of. When they came to him he took their power from them for himself, leaving them silent. They couldn't say what had happened to them, what had become of their power. They didn't know..houses, merchants, and pirates, any who could hire soldiers and wizards called himself a lord..lucky as an Irian'. The masters and many tenants of the domain added its name to their own..after her. Then she plodded gently on. I thought him insignificant, and so harmless. But he lied to you and beguiled you. You.twitched a little. "Oh," she whispered, "there's your dad..".A child ran bawling to its mammy. No one else was about. But Early turned his head, still with.him, the way he spoke of the animals. He would have a way with them, she thought. He was like an.One day in autumn he came back to the school. He went in by the garden door, which gives on the path through the fields to Roke Knoll. It is a curious thing about the Great House of Roke, that it has no portal or grand entryway at all. You can enter by what they call the back door, which, though it is made of horn and framed in dragons tooth and carved with the Thousand-Leaved Tree, looks like nothing at all from outside, as you come to it in a dingy street; or you can go in the garden door, plain oak with an iron bolt. But there is no front door..clothes were soaked. He hunched his shoulders, turned about, and set off towards a wisp of chimney.may be a matter for talk among the nine of us..".craft. Medra had been the Master Finder, until he went to the Grove. A young woman now taught that.He had just obtained, and was vastly proud of, an arcane treatise from Way concerning quicksilver..This way, this way," Gelluk murmured. "No harm will come to you." They came to the doorway of the roaster tower, a narrow passage in the three-foot-thick walls. He took Otter's arm, for the young man hesitated..seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern..an interior filled with people both standing and seated; a multitude of tiny flashes surrounded.of Havnor. He would not see it again unless he went through that narrow passage. Then he would see."Maybe you can find that island," said Ayo..He had power to raise huge waves on the sea, and to stop the tide or bring it early; and his voice could enchant whole populations, bringing all who heard him under his control. So he turned Morred's people against him. Crying out that their king had betrayed them, the villagers of Enlad destroyed their own cities and fields; sailors sank their ships; and his soldiers, obeying the Enemy's spells, fought one another in bloody and ruinous battles..The hillside in front of him trembled, writhed, and opened. A gash in it deepened, widened. Water
