"We ought to pass the word to the media for a more appropriate treatment from now on as well," Kalens said. "Perhaps playing up things like Chironian stubbornness and irresponsibility would harden up the public image a bit... just in case. We could get them to add a mention or two of signs that the Chironians might have armed themselves and the need to take precautions. It could always be dismissed later as overzealous reporting. Should I whisper in Lewis's ear about it?".. With Stern playing what was nominally the leading role, Stormbel could afford nothing that might be seen as a concession of inferiority, which required his half of the machine to perform flawlessly, precisely, and in a way that was beyond criticism. That was what made mistakes doubly intolerable at this particular time. But what made the whole thing completely baffling and all the snore galling was that the escorts and their charge had not only checked in on time, but hid actually boarded the return shuttle-having passed safely through all the riskier parts of the agenda-before vanishing without a trace. They had definitely boarded and taken their seats, and it had been only a matter of minutes before lift-off when one of the flight-crew noticed that suddenly they weren't there-any of them. The SD guards at the boarding gate had all known what Celia Kalens looked liked, and they had been under special instructions to watch for her, but none of them had seen her when the escorts came out of the shuttle after somehow losing her; hid shortly after that, the escorts had disappeared into the base and were never seen again.
