Following a directive from Wellesley, Howard Kalens instructed Amery Farnhill to open an embassy in a small building at Canaveral which the Chironians obligingly agreed to vacate, having been about to move into larger premises elsewhere anyway. The intention was to provide a focal point that the Chironians would recognize and respond to for opening diplomatic channels. Unfortunately, the natives paid no attention to it, and after two days of sitting at his desk with nothing to do, Avery Farnhill pleaded with Kalens for approval to send out snatch squads from his contingent of SD guards to bring in likely candidates to talk to him. Kalens could only partly concur since he was under strict instructions from Wellesley. "If you can persuade them, then do it," he replied over the communications link from the Mayflower IL. "A calculated degree of intimidation is acceptable, but on no account are they to use force. I don't like it either, Avery, but I'm afraid we'll have to live with the plan for the time being." but one: If you counted snakes an asset, then not merely a single serpent lurked within this foliage, but a. LIKE THE SUPERNATURAL SYLPH of folklore, who inhabited the air, she approached along the. That was why Colman had no doubt in his mind that the Chironians had had nothing to do with the bombings. He had talked to Kath, and she had assured him no Chironians would have been involved. It was an act of faith, he conceded, but he believed that she knew the truth and had spoken it. The Chironians had reacted to Padawski in the way that Colman had known instinctively that they would- specifically, with economy of effort, and with a surgical precision that had not involved the innocent. Adam threw up his hands again. "The kids won't let me! They say it wouldn't be the same any other way. What can you do? ". "It's nothing personal, Paul. We think you're a great guy " Pernak frowned and sighed apologetically. "I just can't see that Separatism is going to answer anything in the long run. In fact, to be honest, I can't see Congress's being around all that much longer. On that planet down there, it's a dodo already." conversation in detail. Bernard snapped his fingers. "Of course, Colman! Why the hell didn't I think of that? ". been Familiar with that strategy. Stern did not appear surprised. "They have merely to comply with the law to avoid such consequences." hands were cold and moist from the condensation on the glass. She blotted her palms against the sheets. tense. Bernard's expression was grave and distant. "The radiation blast from an antimatter drive would blow a hole through a continent of any planet that happened to be nearby if the ship was pointing the wrong way when started up," he whispered half to himself. "It's been up there in orbit, right under our noses all the time. They've got the biggest radiation projector anybody ever dreamed of- right there, riding out in space with the Mayflower II. They put kids and comic robots on it, and we never even noticed it." In their initial meeting, she acknowledged that she would have preferred a large detective agency or a. Sirocco smiled tiredly. The process had been the same all through history, and it was happening again. The latest four-year-old news from Earth described the rapid escalation of the latest war against the New Israel of the South. Only this time the EAF was getting involved. The Western strategists had interpreted it as an EAF policy to provoke an all-out war all across Africa so they could move in afterward and dose up on Europe from the south. Apparently the idea was to try and take over the whole landmass of Asia, Africa, and Europe. Why did they want to take over the whole of Asia, Africa, and Europe? Colman didn't know. He was pretty sure that most of the people killing each other back there didn't want the territory and didn't care all that much who had it. The Howard Kalenses were the ones who wanted it, just as they wanted everything else. Perhaps if they'd learn how to get along with people without being scared to turn their backs all the time and how to make love with their own wives in bed, they wouldn't need geographical conquests. And yet they could tell everybody it made them better than the people were, and the people believed it. "For collective-strength. What do you need collective strength for? Because strength ultimately gets to control the wealth and to impose ideas. But why does a race of millionaires need leader if it already has all the material wealth it needs, and isn't interested in imposing ideas on anyone because nobody ever taught it to? The Chironians don't. There isn't anything to scare them with. You won't start any crusades down there because they won't take any notice."..Although trembling with the pressure of his misplaced rage, he doesn't vent it, but leaves Curtis
