"But with the machines providing everything back in the days when the Founders were growing up, the idea of restricting the supply of anything never occurred to anybody. There wasn't any reason to. We've carried on that way ever since. You'll get used to it." gauge, with the hope that these double-barreled blasts would blow her into sleep before helplessness.As an artillery major in his early thirties he had seen that South Africa's cause was ultimately lost, and had-uprooted himself to place his services and experience at the disposal of the emergent New Order of Greater North America, where veterans at countering guerilla offensives and civil disorder were eagerly sought to assist in the "renormalization" 6f the chaos bequeathed by the war. Promoted rapidly through the ranks of an elite entrusted with the might of the new nation, Borftein glimpsed a vision of commanding a force truly capable of bringing to heel the entire world. But the vision had been short-lived. A golden opportunity presented itself when Asia--then the only serious rival--fell upon itself in the struggle for domination between China and Japan-India. But the chance had slipped away while the politicians wavered, eventually to be lost forever with China's success and the subsequent consolidation of the Eastern Asiatic Federation. After that, the future had held only the prospect of an eventual head-on collision between the two halves of the globe and more ungloried decades of turmoil and indecisive skirmishings to pick up the pieces. Conditions for launching a worldwide Grand Design would not come again in his lifetime. And so he had left to seek a more rewarding destiny with the Mayflower II. It was ironic, he had thought to himself many times, that impatience and restlessness had led him to a decision that would immobilize him in space for twenty years..On screen: the residential street in Anaheim. Then, in the distance, a flutter of.Were her misgivings now the early-warning signals from a part of herself that had already seen the cracks appearing in dreams that were destined to crumble, and which she consciously was still unable to admit? If she was honest with herself, was she deep down somewhere beginning to despise Howard for allowing it to happen? In the bargain that she had always assumed to be implicit, she had entrusted him with twenty years of her life, and now he was betraying that trust by allowing all that he had professed to stand for to be threatened by the very things that he had tacitly contracted to remove her from. Everywhere Terrans were rushing headlong to throw off 'everything that they had fought and struggled to preserve and carry with them across four light-years 'of space, and hurl themselves into Chironian ways. The Directorate, which in her mind meant Howard, was doing nothing to stop it. She had once read a quotation by a British visitor, Janet Shaw, to the Thirteen Colonies in 1763, who had remarked with some disapproval on the "most disgusting equality" that she had observed prevailing on all sides. It suited the present situation well.. "Laughing at what?".Jay shrugged again.
