woodlands of Faliern. A story may be pieced together. They began, however, with the peaches. Witchery was restricted to women. All magic practiced by women was called "base craft," even when it included practices otherwise called "high arts," such as healing, chanting, changing, etc. Witches were to learn only from one another or from sorcerers. They were forbidden to enter Roke School, and Halkel discouraged wizards from teaching women anything at all. He specifically forbade the teaching of any word of the True Speech to women, and though this proscription was widely ignored, it led in the long run to a profound, long-lasting loss of knowledge and power among the women who practiced magic. Early never disregarded any triviality Hound mentioned, because so many of them had proved not to be trivial. He disliked the old man for that, and because he was unshakable. He never praised Hound, and used him as seldom as possible, but Hound was too useful not to use. He stood tongue-tied. After a while she looked up at him. "No," she said in a soft, quiet voice, "I don't think it's true. I think all the true powers, all the old powers, at root are one." protections the Masters set on their flocks and fields and orchards. That made sense to her. On "Bringing them a student - yes. A student of great gifts!" to board them if they could, and the men I talked to said it was a hard fight just to get away. though the Otter's House was still in sunlight. Kurremkarmerruk sat on the bench with his back. "Did you know that, Irian?" the Doorkeeper asked her. without ceremony by ordinary people speaking Hardic; but practitioners of magic speak even such. He was still shaken, appalled, by the ease with which Gelluk had forced him to say his name, which gave the wizard immediate and ultimate power over him. Now he had no hope of resisting Gelluk in any way. That night he had been in utter despair. But then Anieb had come into his mind: come of her own will, by her own means. He could not summon her, could not even think of her, and would not have dared to do so, since Gelluk knew his name. But she came, even when he was with the wizard, not in apparition but as a presence in his mind. was bigger than Golden now, and when he moved abruptly it was startling. "I'll go to Easthill," he. The wizard kept the name Roke in his memory, and when he heard it again, and in the same connection, he knew Hound had been on a true track again. "He's matchmaking," Tuly said, dry, fond. know some words of the Old Speech innately. But the very great majority of people must learn the. "If he wants a party, he'll have it," she said. Their voices were alike, being in the higher. There are some who say that the school had its beginnings far differently. They say that Roke used. He came up on deck again. It was clearing, and as the sun set the clouds broke all across the west, showing a golden sky behind the high dark curve of a hill. Long Fields where most of his beeves were. Nobody had horses but Alder, and they were for his. "Destroy us? Destroy this hill? The trees there?" She looked down to a grove of trees not far from. "But," said Dragonfly and stopped, caught by the argument. After a while she said, "So a name has to be a gift?" to name yourself. "Masters." So little Diamond grew up in the finest house in Glade, a fat, bright-eyed baby, a ruddy, cheerful boy. He had a sweet singing voice, a true ear, and a love of music, so that his mother, Tuly, called him Songsparrow and Skylark, among other loving names, for she never really did like "Diamond." He trilled and caroled about the house; he knew any tune as soon as he heard it, and invented tunes when he heard none. His mother had the wisewoman Tangle teach him The Creation of Ea and The Deed of the Young King, and at Sunreturn when he was eleven years old he sang the Winter Carol for the Lord of the Western Land, who was visiting his domain in the hills above Glade. The Lord and his Lady praised the boy's singing and gave him a tiny gold box with a diamond set in the lid, which seemed a kind and pretty gift to Diamond and his mother. But Golden was a bit impatient with the singing and the trinkets. "There are more important things for you to do, son," he said. "And greater prizes to be earned." strange, weak noise. The name and office of archmage were invented by Halkel, and the Archmage of Roke was a tenth Master, never counted among the Nine. A vital ethical and intellectual force, the archmage also exerted considerable political power. On the whole this power was used benevolently. Maintaining Roke as a strong centralising, normalising, pacific element in Archipelagan society, the archmages sent out sorcerers and wizards trained to understand the ethical practice of magic and to protect communities from drought, plague, invaders, dragons, and the unscrupulous use of their art. She knew that King Lebannen used his true name openly. He too had returned from death. Yet that the Summoner should do so continued to shock and disturb her as she thought about it. really did look like a sculpture in azure metal -- studied me carefully. She no longer appeared.
