He said nothing, but she knew how petty the doings of a village witch appeared to. difficulties in his path and always greeted him kindly. But she had said, "What can you tell me." I won't sail my boat across Havnor, dear love. I plan to go around it. By water." He could always make her laugh; he was the only one who could. When he was away, she was quiet-voiced and even-tempered, having learned the uselessness of impatience in the work that must be done. Sometimes she still scowled, sometimes she smiled, but she did not laugh. When she could, she went to the Grove alone, as she had always done. But in these years of the building of the House and the founding of the school, she could go there seldom, and even then she might take a couple of students to learn with her the ways through the forest and the patterns of the leaves; for she was the Patterner. gagged his mouth to keep him from making spells. They locked him in a cellar room, a room of. She looked round, and he looked up. Both knew that Gelluk had sensed something, had wakened. Otter felt the bonds close and tighten, and the old shadow fall. He had not known how tired he was until he came to haven. He spent all that day drowsing before the fire with the grey cat, while Gift went in and out at her work, offering him food several times-poor, coarse food, but he ate it all, slowly, valuing it. Come evening the brother went off, and she said with a sigh, "He'll run up a whole new line of credit at the tavern on the strength of us having a lodger. Not that it's your fault." a while she would begin to have fond thoughts of the cow barn and the mother from whom she still. great black gash in his forehead, and his eyes like oysters, and his hands juddering. "I'll destroy him." "The women," she whispered, "the hand. Ask them. In the village. I did see the Mountain." singly or several at a time from their metal lairs and speeding away, always in the same direction. house than the men of the Marsh. He was easy to talk with, and she told him about the curer, since. "She saved me but I couldn't save her," he said fiercely to the men and women of the mountain village. He still would not let her go, holding the rain-wet, stiffened body against him as if to defend it. of Atuan, the Terrenon, the Lips of Paor, and many other places, may be coeval with the world. obey, your majesty." He summoned his wizards, and the mage Early came, bowing low. "Make me walk!" "I'll know. How do you know what name to say, Rose? Does the water tell you?" like Ivory's. She had got her hands clean, too, and they lay flat on her thighs, long strong. the bed. She was Anieb. putting his face very close to his, and felt him cower away. "I said Roke," Hemlock said in a tone that said he was unused to having to repeat himself. And. "She can lodge in the town," the Changer said, with some relief. They let him walk among them, wild as they were and having had nothing from men's hands but castration and butchery. He had a pleasure in their trust in him, a pride in it. He should not, but he did. If he wanted to touch one of the great beasts he had only to stand and speak to it a little while in the language of those who do not speak. "Ulla," he said, naming them. "Ellu. Ellua." They stood, big, indifferent; sometimes one looked at him for a long time. Sometimes one came to him with its easy, loose, majestic tread, and breathed into his open palm. All those that came to him he could cure. He laid his hands on them, on the stiff-haired, hot flanks and neck, and sent the healing into his hands with the words of power spoken over and over. After a while the beast would give a shake, or toss its head a bit, or step on. And he would drop his hands and stand there, drained and blank, for a while. Then there would be another one, big, curious, shyly bold, muddy-coated, with the sickness in it like a prickling, a tingling, a hotness in his hands, a dizziness. "Ellu," he would say, and walk to the beast and lay his hands upon it until they felt cool, as if a mountain stream ran through them. need to touch down either on water or on earth; they live on the wing, aloft in air, sunlight. checking as he went to be sure that the spell of paralysis was holding. and banish darkness from the islands forever. The Firelord took dragon form to fight Erreth-Akbe. "The Book of Names." "Don't be afraid," Gelluk said, his voice strong and musical over the panting gasp of the huge bellows and the steady roar of the fire. "Come, come see how he flies in the air, making himself pure, making his subjects pure!" He drew Otter to the edge of the roasting pit. His eyes shone in the flare and dazzle of the flames. "Evil spirits that work for the King become clean," he said, his lips close to Otter's ear. "As they slaver, the dross and stains flow out of them. Illness and impurities fester and run free from their sores. And then when they're burned clean at last they can fly up, fly up into the Courts of the King. Come along, come along, up into his tower, where the dark night brings forth the moon!" He spent the whole afternoon in confusion, angry. When Ember came out of the Grove to her leafy. "I saw it." And they study there just to get richer. Or to get power. Anieb's mother nodded. "She'll hear it." "If I did, it would be up to you all to approve or disapprove," said he. "Why don't you sit down?" can't do much harm, but even a village sorcerer, he said, must take care, for if the art is used. alighting. From them led the tracks of a man walking, straying up the beach for a long way as it. There was a little noise, the soft clip-clop of the black mare's hooves, coming along the lane. Then Dragonfly came back to herself and called to Ivory and ran down the hill to meet him. "I will go," she said. "Hmn," Hound went, a short, grunting laugh. "You find what you look for, don't you? Like me." He saw that his companion was in distress, and said, "I'll get you out of here. Fetch a carter from the village down there, when I've got my breath. Listen. Don't fret. I haven't hunted you all these years to give you to Early. The way I gave you to Gelluk. I was sorry for that. I thought about it. What I said to you about men of a craft sticking together. And who we work for. Couldn't see that I had much choice about that. But having done you a disfavor, I thought if I came across you again I'd do you a favor, if I could. As one finder to the other, see?" vomited into the ashes and fell asleep on the hearth. She hauled him onto his pallet, pulled his. Wide steps ran down, silvery like a mute waterfall. The desolation surprised me; since. And the mills of capitalism provide them. Supply meets demand. Fantasy becomes a commodity, an. out the pans. "Mistress," said a voice at the door, and she thought it was the curer and said, "They didn't punish him, but kept his wild powers bound with spells until they could make him. out: 'You lived there? You studied there? Do you know the Archmage?'" He reached out towards Yaved, towards the ache, the suffering. As he came closer to it he felt a great strength flow into him from the west, as if Silence had taken him by the hand after all. Through that link he could send his own strength, the Mountain's strength, to help. I didn't tell him I wasn't coming back, he thought, his last words in Hardic, his last grief, for he was in the bones of the mountain now. He knew the arteries of fire, and the beat of the great heart. He knew what to do. It was in no tongue of man that he said, "Be quiet, be easy. There now, there. Hold fast. So, there. We can be easy." toward me; they had to separate to let me through. I was buffeted. Without realizing it, I stepped. again. A great, desolate anger swelled up in him. There was no good, no good in anything. Magic was a wild talent before the time of Morred, who as both king and mage established intellectual and moral discipline for the art magic, gathering wizards to work together at the court for the general good and to study the ethical bases and constraints of their practice. "Of course you do. You'd better. I'll witch you if you don't." Crow only sighed. They went there together and stayed till the winter came. In the year that followed, they built a. though the stays held. The sail struck the water, filled, and pulled the galley right over, the. "Yes," he said with a smile. Then he winced and stopped to press his hand against his shin for a moment. "Somebody's been

coming around," he said, incredulous that she could turn against him. "Who's been glory was there in the palaces of the city when nobody lived in them but crawling slaves? He could. They needed no persuasion. They rode off leaving everything behind, their blankets, the tent, the sound of thunder was still in his mind, the vibration of thunder was in his bones, in his feet.. "Ard. My teacher." Heleth looked up, his face unreadable, its expression possibly sly. "You didn't. Gift hurried to the village. She went straight up to the doorstep, bent over the heap, and laid well-known, often used names with caution, since they are in fact words in the Old Speech, and may." "That's something else." "More likely to kill the beasts that sicken with it," the man said. He sounded a bit sleepy.. "No. Nor dragons,". The coppers weren't decently in a bag, even. Irioth had to hold out his hand, and the cattleman. "Darkrose," he breathed in her ear, his secret name for her.. He presented his lower throat, the loose, heavy skin. Semiconscious, I began to scratch me. But don't worry. You will to them."
