Lesley asked..INSIDE THE LOCAL command post behind the Hexagon's armored bulkhead, Major Lesley of the Special Duty Force was still too stunned by what he had heard to be capable of a coherent reaction for the moment. He stared at the companel where a screen showed a view from the Columbia District, where the SD guard commander had entered the Communications Center under a truce flag some minutes previously to talk with Borftein, and tried to separate the conflicting emotions in his head. Captain Jarvis, Lesley's adjutant officer, and Lieutenant Chazure watched in silence while around the command post the duty staff averted their eyes and occupied themselves with their own thoughts. His dilemma was not so much having to choose between conflicting orders for the first time in his life, for their order of precedence was plain enough and he had no duty to serve somebody who had usurped rank and criminally abused the power of command, but deciding which side he wanted to be on. Though Borftein was waving the credentials, Stormbel was holding the gun..The girl gave Colman a funny look. "His uncle ran the whole of the West Side of New York and skimmed half a million off the top. When they found out, he had to spend it all buying himself a place on the ship. You didn't know?". He's not at serious.Pernak and Jean looked at each other, puzzled. Bernard stared obediently at the picture for a few seconds, then looked at Jay. "It looks like a nicely done painting of mountains," he said. "Is this supposed to have something to do with what we're talking about?'. "Some of the Mayflower II's modules have sky-roofs with steel outer shutters, don't they," Kath said..Unprepared for the girl's admission, Micky stumbled a few words further. " ? because you . . . because."Even though he kills old ladies and boys in wheelchairs?".The suspicion he'd directed at Wendy Quail had been misplaced.."Come over for a second. I want to ask him something." Sirocco led Colman, and Hanlon followed. The conversation stopped as they approached, and heads turned toward them curiously. "Do you just do tricks with cards," Sirocco asked Driscoll without any preliminaries, "or are you into other things too?". "I just don't like news," Micky explained. "It's mostly bad, and when it isn't bad, it's mostly lies..". "They may be a handful," Adam added from across the room, "but they control the ship's heavy weapons. We've given them every chance, and we've encouraged as many people to get themselves out of it as was humanly possible. Our whole world is at stake. If they begin issuing threats or deploying those weapons, the ship will be destroyed. They' can be no changing that decision. It was made a long time ago..". "Not. liking killing people makes a good soldier?". Although the blessed gloom provided emotional cover, Geneva didn't look at Micky. She stared at the. Although domesticated, this animal nevertheless remains to some degree a hunter, as the boy is not, and. Hope, however, isn't all that's needed to achieve change. Hope is a hand extended, but two hands are. though he's admittedly hard-pressed to see anything either poetic or warriorlike about clutching a. Borftein halted and stood upright and erect before the desk. "Whatever you thought was mistaken. I am still the Supreme Military Commander of this Mission, and you obey my orders before any others. Stand aside..". What followed was a General Foul-up..He didn't think too much about things like that anymore; his visions of being a great leader and achiever in bringing the Word to Chiron had faded over the years. And instead . . . what? Now that the ship was almost there, he found he had no clear idea of what he wanted to do . . . nothing apart from continuing to live the kind of life that he had long ago settled down to as routine, but in different surroundings..he stood, came around the table, and moved her chair back for her to rise. She experienced again the fleeting sensation that she was a puppet dancing to Sterm's choreography. She watched herself as he ushered her to an armchair and handed her a glass. Then Sterm settled himself comfortably at one end of the couch, picked up his own drink, and held it close to his face to savor the bouquet.."Okay, then what about human beings crossed with puppy dogs?". Before I was born. I haven't met any of them, don't know where they are. She never speaks about them..But no Borftein was present to save the situation at the side entrance. "I don't know anything about it," the SD Officer of the Day said from the screen in reply to the call the guard there had put through. "Those orders are incorrect. Detain those men." The guard on duty at the desk produced a pistol and trained it on Maddock, who was standing where he had been stopped ten feet back with Harding and Merringer. In the same instant the two SD's standing farther back covered them with automatic rifles.. "We're looking into that. It will depend on how many people Steve can spare. Now, if Bret can get there from the Columbia District after the transmission has gone out, then that might put a different.. ." Sirocco's voice trailed away, and his mouth hung open as he stared disbelievingly toward the door at the back of the room. The heads turned one by one, and as they did so, gasps and mutterings, punctuated by a few good-natured jeers, began breaking out on all sides. /."Curtis Hammond," he replies without hesitation, using the name of the boy whose clothes he wears, but.circumference of each iris..Good pup..Micky seemed cold enough to freeze droplets of sweat into beads of ice upon her brow.
