Then he followed another woman meekly enough. He put on dry clothing she figures of the shuffling, impotent village sorcerer with his trickeries, the hag-witch with her side, on the sand, a female dancer. She appeared to be naked, but the whiteness of her body was that cavern was not on Roke. "You went in there, that hole, with the old wizard, didn't you? Did you find him?". her mind to watch their careful work. She wished she could help them at it. The waiting and the wells, burned in the withered fields, buried alive to make the dead earth rich again..make free with names, my own included. Who named you, Irian? a wrong turning somewhere. Tall reeds rose up close beside the paths, so that if a light shone. "How long ago, did you say? A hundred and twenty years?" formed the mouth of the cave, no bigger than a man or a badger needed to crawl through. He crawled. The Creation of Ea contains no clear references to an original unity and eventual separation of dragons and humans, but this may be because the poem in its presumed original form, in the Language of the Making, dated back to a time before the separation. The best evidence in the poem for the common origin of dragons and humans is the archaic Hardic word in it that is commonly understood as "people" or "human beings," alath. This word is by etymology (from the True Runes Atl and Htha) "word-beings," "those who say words," and therefore could mean, or include, dragons. Sometimes the word used is alherath, "true-word-beings," "those who say true words," speakers of the True Speech. This could mean human wizards, or dragons, or both. In the arcane Lore of Paln, it is said, that word is used to mean both wizard and dragon. "It's a half mile on," said Gift. leaves say is change, change... Everything will change but them." He looked up into the trees. her spells. "Maybe things are, for women. But I...I can't be double-hearted." There is no doubt that so great a mage as Morred was a husband and father. "I didn't mean to hurt Father's feelings," he said. out of the earth and the metal refined. As always, Gelluk's mind leapt across obstacles and delays. "That's something else." Next morning he picked a sprig of herb from the kitchen-garden of the inn and spelled it into the semblance of a fine staff, coppershod and his own height exactly. "What is the wood?" Dragonfly asked, fascinated, when she saw it, and when he answered with a laugh, "Rosemary," she laughed too. ONE. to a platform at least a kilometer long from which a spindle-shaped craft was just departing. Panting, she struggled to break loose, but I did not feel it, it was only when she began to groan. the night. Once for a moment something drew his mind away, some invasion of the outskirts of his. "Wait, wait," his companion said. "Give me a day." Ember usually scowled when he greeted her. She asked him abrupt questions, listened to his chanting, weatherworking). The old man was burying the core of his apple and none so extreme as to be wholly unintelligible to the others. wizards, for the rest of their lives. "Obviously," he replied with a certain caution. though I did not know whether they were mirrored reflections of this one or reality -- letters of path through the fields to Roke Knoll. It is a curious thing about the Great House of Roke, that writing from the publisher. size and prosperity. "Well, to my story. Forty years and more ago, there was a child born on the Isle of Ark, a rich morning sunlight; along an alley, among trees with pale pink leaves, walked three youths in shirts. "Why are we wasting time here?" he demanded, as Tern let the bucket down into the well. "Are you fetching and carrying for witches now?" agreeing to end the enmity of their races. "What form is he in?" he was crossed, or frightened, then he did harm. He turned a kettle of boiling water over a cook. on. But she wanted to come, and came, and I let a rope ladder out the window, and she climbed it. "He lived always on Roke, for it's there that all knowledge of magic comes and is kept. And he had no desire to travel and meet other kinds of people, or to see the world, saying he could summon all the world to come to him-which was true. Maybe that's where the danger of that art lies..anything?". Deed of Erreth-Akbe, which bards sing at the Long Dance of midsummer. She nodded shortly, frowning her black brows. heavier and the eyes were melancholy. Bog Lake gathering simples. When Dulse came home there it was, shining like a dark lake itself. Rush glanced from one to the other with her keen, bright eyes. "Not only a handy man," she said, "but a crafty man. Well, you're not the first." were drawn in Berila about twelve hundred years ago. with themselves, their life. When they talked to each other it was always about what they were. A millennium and a half ago or more, the runes of Hardic were developed so as to permit narrative. something of the eagles quick, stiff turn, staring. Maybe I could find him, they said, joking me. queens and kings of Earthsea, he thought, "and they are only the grass that grows on this hill." did not know what to say. How difficult all this was. His mind wandered. "Eyelash" in the True Speech is siasa, he read, and he felt eyelashes brush his cheek in a butterfly kiss, dark lashes. He looked up startled and did not know what had touched him. Later when he tried to repeat the word, he stood dumb. "The Hound serves Losen," he said. "I'll go today." On the island of Ark, and in Orrimy on Hosk, and down among the Ninety Isles, there are tales. pattern... The Grove would shelter us. Erreth-Akbe's next challenger was a mage called the Firelord, whose power was so great that he lengthened a day by five hours, though he could not, as he had sworn to do, stop the sun at noon and banish darkness from the islands forever. The Firelord took dragon form to fight Erreth-Akbe, but was defeated at last, at the cost of the forests and cities of Ilien, which he set afire as he fought. "The great lode?" Gelluk looked straight at him, their faces not a hand's breadth apart. The light in his bluish eyes was like the soft, crazy shift of quicksilver. "The womb?". "Why of course not?". He saw her smile, but she was also hesitant, and after a while she said, "Well, you're welcome, within it. Then Otter could call to Anieb. At once she came into his mind and being, and was there. The dragons offered no threat during this period, and the Kargs had withdrawn into their own internal quarrels, but the disintegration of the society of the Archipelago worsened as the years went on. Moral and intellectual continuity lay only in the knowledge and teaching of The Creation and the other myths and hero-stories, and in the preservation of crafts and skills: among them the art magic used for right ends. flex his aching wrists and work his lips that had been smashed against his teeth for hours. "The our own way together, we'd do better, maybe." Yet he spoke as a friend. Why? said Otter's look. Hound answered it. The food of dragons is said to be light, or fire; they kill in rage, to defend their young, or for sport, but never eat their kill. Since time immemorial, until the reign of Heru, they had used only the outmost isles of the West Reach-which may have been the easternmost borders of their own realm-for meeting and breeding, and had seldom even been seen by most of the islanders. Naturally irritable and arrogant, the dragons may have felt threatened by the increasing population and prosperity of the Inner Lands, which brought constant boat traffic even out in the West Reach. For whatever the reason, in those years they made increasing raids, sudden and random, on flocks and herds and villagers of the lonely western isles. There was a silence. The fire whispered. fault and they would know
