And yet, nothing comparable to SP3 is anywhere near as advanced a stage of design at the present time, let alone near being constructed. The opportunity is unique and cannot, surely, be allowed to pass by. But at the same time we cannot afford the delay that would be needed to take advantage of that opportunity. Is there a solution to this dilemma?" He looked around as if inviting responses. None came. A highly depressing idea, but he did not on that account roll out the console to select a remedy from the menu. He knew from long experience that whatever could make him palpably happier was also liable to send him into a state of fugue in which conversation in the linear sense became next to impossible. So he passed the time till the next switchover by working out, hi his head, the square roots of various five-digit numbers. Then, when he had a solution, he'd check it on his calculator. He'd got five right answers when his chair reared up, god bless it, and bore him off toward . . . Would it be the couple chained, wrist to wrist, on the blue settee? No, at the last moment, his chair veered left and settled down in front of an unoccupied bent-wood rocker. A sign in the seat of the rocker said: "I feel a little sick. Back in five minutes." the clearing, the deer hide, the cottage door were all they knew. Here, then, is "Randall's Song," to which I took the liberty of adding a verse myself: VI. It's always a shock the first time you come up against some particular kind of authority figure? a dentist, a psychiatrist, a cop? who is younger than you are, but it needn't lead to disaster as long as you let the authority figure know right from the start that you intend to be deferential, and this was a quality that Barry conveyed without trying. "Now don't be like that. Treason is a necessary part of the job, the way that handling trash cans is a part of being a garbage man. Some poets go to a great deal of trouble to disguise their treacheries; my inclination is to be up-front and betray everyone right from the start". 211. Bat there are other reasons. Critical judgments are so complex (and take place in such a complicated context), the vocabulary of praise and blame available in English is so vague, so fluid, and so constantly shifting, and the physical space allowed is so small that critics welcome any way of expressing judgments that will be both precise and compact. If vivid be added thereunto, fine? what else is good style? Hence critics, whenever possible, express their judgments in figurative language. Wit is a form of condensation (see Freud if you think this is my arbitrary fiat) just as parody is a form of criticism (see Dwight McDonald's Modern Library collection thereof). come from the great valley beneath the mountains, and as a child I learned to fear those who lurk above. daughter, sister.
