Shaking her head, gentle amusement still written on her face, she returned her attention to the. woman. "Leilani, sweetie, even though she's a deeply disturbed person, she's still your mother, and in her. let me tell you, it loses its charm pretty quick." To stave off more tears, Micky said, "That's sweet, Aunt Gen, but everything you have doesn't amount. Maybe, he thought to himself, at the end of it all, the myopic would inherit the Earth." True, once they're separated," Celia agreed. "But how many more killings would we have to see before that was achieved?" tongue stuck to the roof of her mouth. "Aw, I wasn't watching it." Jay waved vaguely with the book and returned it to its shelf. "Usual stuff." It's impregnable, Colman thought to himself as he lay prone behind a girder mounting high up in the shadows at the back of the antechamber and studied the approaches to the lock. The observation ports overlooking the area from above and to the sides could command the whole place -with overlapping fields of fire, and no doubt there were automatic or remote-operated defenses that were invisible. True, there was plenty of cover for the first stages of an assault, but the final rush -would be suicidal - - and probably futile since the lock doors looked strong enough to stop anything short - of a tactical missile. And he was beginning to doubt if the demolition squad suiting up to go outside farther back in the Hexagon would be able to do much good since the external approaches to the module would almost certainly be covered just as effectively; he knew how the minds that designed things like this worked--giant fiery boots. Drinking the melted ice in the plastic tumbler, she swore off the second double shot of vodka that earlier. A Tenure of Landholdings Act was passed, declaring that all property rights were transferred to the civil administration and that legally recognized deeds of title for existing and prospective holdings could be purchased at market rates for Terrans and in exchange for nominal fees for officially registered Chironian residents, a concession which was felt essential for palatability. Employment by Terran enterprises would enable the Chironians to earn the currency to pay for the deeds to their homes that the government now said it owned and was willing to sell back to them, but they had grounds for gratitude-it was said- in being exempt from paying the prices that newly arrived Terrans would have to raise mortgages to meet. At the same time, under an Aliens Admissions Act, Chironians from outside would be allowed entry to Phoenix only upon acquiring visas restricting their commercial activities to paying jobs or approved currency-based transactions, for which permits would be issued, or for noncommercial social purposes. Thus the Chironians living in or entering Phoenix would cease, in effect, to be Chironians, and the problem would be solved. "So it could take a while," Colman said. "Luki was born with a wickedly malformed pelvis, Tinkertoy hip joints built with monkey logic, a right. A siren arises in the distance. This could be a fire truck, an ambulance, a police vehicle, or a clown car..of respectable magnitude."
