The existence of magic as a recognized, effective power wielded by certain individuals, but not by all, shapes and influences all the institutions of the Hardic peoples, so that, much as ordinary life in the Archipelago seems to resemble that of nonindustrial peoples elsewhere, there are almost immeasurable differences. One of these differences may be, or may be indicated by, the lack of any kind of institutionalised religion. Superstition is as common as it is anywhere, but there are no gods, no cults, no formal worship of any kind. Ritual occurs only in traditional offerings at the sites of the Old Powers, in the great, universally celebrated annual festivals such as Sunreturn and the Long Dance, in the speaking and singing of the traditional songs and epics at these festivals, and,

perhaps, in the performance of spells of magic..Although Otter had not thought the words, Anieb spoke with his voice, the same weak, dull voice.:The willows had grown, these two years. Eighty ships sailed past Ark and Ilien on a true and.He did not ask if Otter was picking up any sign of the ore; he did not ask whether he was seeking the ore or pretending to seek it. Otter himself could not have answered the question. In these aimless wanderings the knowledge of the underground would enter him as it used to do, and he would try to close himself off to it. "I will not work in the service of evil!" he told himself. Then the summer air and light would soften him, and his tough, bare soles would feel the dry grass under them, and he would know that under the roots of the grass a stream crept through dark earth, seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern, and in its walls were thin, crimson, crumbling beds of cinnabar... He made no sign. He thought that maybe the map of the earth underfoot that was forming in his mind could be put to some good use, if he could find how to do it..to living voice.. "Why should I do that?".but though she hugged him she drew away again, frowning..It was their mage Ogion whom the people saw stand alone on the roof of the signal tower on the wharf, when the streets ran up and down in waves, the cobbles bursting out of them, and walls of clay brick puffed into dust, and the Armed Cliffs leaned together, groaning. It was Ogion they saw, his hands held out before him, straining, parting: and the cliffs parted with them, and stood straight, unmoved. The city shuddered and stood still. It was Ogion who stopped the earthquake. They saw it, they said it.
