On that day was another."I'm standing here, trying to be friendly," said Amos. "I was told there was nothing of interest down here. And since it is so dull, I thought I would keep you company..".I felt my brows hop. Her voice was almost vicious in tone..cut well, but there's another specialized animal that eats

that type of plastic. It's recycled into the system..Then it says something for his endurance that he was able to pot."How do you intend to find it?". "Ask me," said the grey man..When the ship finally did show up, it was no longer a NASA ship. It was sponsored by the fledgling International Space Agency. Its crew came from all over Earth. Its drive was new, too, and a lot better than the old one. As usual, war had given research a kick in the pants. Its mission was to take up the Martian exploration where the first expedition had left off and, incidentally, to recover the remains of the twenty Americans for return to Earth..ward, got up tn time to see the fiberglass ropes on the side nearest him snap free from the steel spikes anchoring the dome to the rock. The dome now looked like some fantastic Christmas ornament, filled with snowflakes and the Sashing red and blue lights of the emergency alarms. The top of the dome heaved over away from him, and the floor raised itself high in the air, held down by the unbroken anchors on the side farthest from him. There was a gush of snow and dust; then the floor settled slowly back to the ground. There was no motion now but the leisurely folding of the depressurized dome roof as it settled over the structures inside.. "Are you indeed?" asked Lea, smiling. "A piece of the mirror I am trapped in lies at the bottom of this.It was like a rerun.
