"Give me a day.".The Patterner came forward and took her hands in his. His hands were warm, and she felt so mortally cold that she came close up against him for the warmth of his body. They stood so for a while, her face turned from him but their hands joined and their bodies pressed close. At last she broke free, straightening herself, pushing back her lank wet hair. Thank you," she said. "I was cold.".wood as the plane ran down the silky oak board. Some noise or movement roused him. He looked up."I won't sail my boat across Havnor, dear love. I plan to go around it. By water." He could always make her laugh; he was the only one who could. When he was away, she was quiet-voiced and even-tempered, having learned the uselessness of impatience in the work that must be done. Sometimes she still scowled, sometimes she smiled, but she did not laugh. When she could, she went to the Grove alone, as she had always done. But in these years of the building of the House and the founding of the school, she could go there seldom, and even then she might take a couple of students to learn with her the ways through the forest and the patterns of the leaves; for she was the Patterner..an approaching green circle. I thanked them and stepped off the walkway, probably at the wrong.poisoned. When Berry went out again, the woman came closer and said, resolute, in a low voice,.,The Namer, the Doorkeeper, and the Herbal followed him with her into the Grove. There was a path.He had been through a long hard trial and had taken a great chance against a great power. His.They walked a half-mile or so. The Knoll rose up full in the western sun on their right. Behind them the School sprawled grey and many-roofed on its lower hill. The grove of trees towered before them now. She saw oak and willow, chestnut and ash, and tall evergreens. From the dense, sun-shot darkness of the trees a stream ran out, green-banked, with many brown trodden places where cattle and sheep went down to drink or to cross over. They had come through the stile from a pasture where fifty or sixty sheep grazed the short, bright turf, and now stood near the stream. That house," said the mage, pointing to a low, moss-ridden roof half-hidden by the afternoon shadows of the trees. "Stay tonight. You will?".They fired every house and field they came to. When they sailed away after a few days they left no.They nodded..need to touch down either on water or on earth; they live on the wing, aloft in air, sunlight,.,and the Changer. Long, long lists..She thought about the School, where she had been so briefly. From here, under the eaves of the Grove, she saw it as stone walls enclosing all one kind of being and keeping out all others, like a pen, a cage. How could any of them keep their balance in a place like that?.The brave girl, the brave heart." The mare put her head down and shivered all over with relief..water under the willows, and set off down the valley towards the mine..continue to exist in both forms. The many written copies of the ancient texts serve to keep them.would go a long way.". "What if you got to be a wizard! Oh! Think of the stuff you could teach me! Shapechanging -- We could be anything. Horses! Bears!". "Of course," he said, his smile growing brilliant. "But witches aren't always chaste, are they?". "Why of course not?".He got up in the icy morning while they still slept rolled in their blankets. He knew where the cattle were nearby, and went to them. The sickness was very familiar to him now. He felt it in his hands as a burning, and a queasiness if it was much advanced. Approaching one steer that was lying down, he found himself dizzy and retching. He came no closer, but said words that might ease the dying, and went on..The weatherworker knew his trade, at least. Sea Otter sped south; they met summer squalls and choppy seas, but never a storm or a troublesome wind. They put off and took on cargo at ports on the north shore of O, at Ilien, Leng, Kamery, and O Port, and then headed west to carry the passengers to Roke. And facing the west Ivory felt a little hollow at the pit of his stomach, for he knew all too well how Roke was guarded. He knew neither he nor the weatherworker could do anything at all to turn the Roke-wind if it blew against them. And if it did. Dragonfly would ask why? Why did it blow against them?.Archipelago, the lore of the Old Powers was still part of the profound, common basis of thought.Havnor like an arrow of fire." (Dragons are generally referred to both in Hardic and Kargish as."But she was only a girl like the others, too," Mead said, and hid her face. First she had to. . . see something in him, get to know.Sleeping out on deck with the starlight on his face, he had a simple, vivid dream: it was.you dream it to be, but that, too, you'd learn.".Licky came back to the barracks with them. Gelluk bade Otter goodnight in his soft voice. Licky shut him as usual into the brick-walled room, giving him a loaf of bread, an onion, a jug of water..first. I blinked. The hall, brightly lit, was practically empty; she walked to the next door. When I.the other sorcerer, even of the six coppers she had found scattered on the bedcover, which he must.He never swore-men of power do not swear, it is not safe-but he cleared his throat with a coughing."What all the students do. Live alone in a stone cell and learn to be wise! It might not be what.he come here, is what you have to ask." "To cure the beasts," Gift said.. "They do, they do," Tuly said. "Everything is hooked together, tangled up!". "What did you keep her standing there in the middle of the dogs for?" the woman demanded.out, past the Armed Cliffs! Good luck to you." And he turned and ran back up the street, a tall,."The one," Rose said. As suddenly as the ewe had walked off, she went into her house. Dragonfly.A few times, sitting on the waterstairs, the dirty harbor water sloshing at the next step down, the yells of gulls and dockworkers wreathing the air with a thin, ungainly music, he shut his eyes and saw his love so clear, so close, that he reached out his hand to touch her. If he reached out his hand in his mind only, as when he played the mental harp, then indeed he touched her. He felt her hand in his, and her cheek, warm-cool, silken-gritty, lay against his mouth. In his mind he spoke to her, and in his mind she answered, her voice, her husky voice saying his name, "Diamond ....".had met his match, and in their final confrontation, somewhere in the Sea of Ea, both perished..He told her, as well as he could. "We were strangers. Yet she gave me her name," he said. "And I gave her mine." He spoke haltingly, with long pauses. "It was I that walked with the wizard, compelled by him, but she was with me, and she was free. And so together we could turn his power against him, so that he destroyed himself." He thought tor a long time, and said, "She gave me her power.".of Havnor. He would not see it again unless he went

through that narrow passage. Then he would see."Well, he ran out. Or. . . he could always lie.", young man to the next and the next. He said, "You trusted me, giving me your names. Will you trust violence, their actors to dolls, and their truth-telling to sentimental platitudes. Heroes. It didn't seem to him to amount to much.
