In the Archipelago, the lore of the Old Powers was still part of the profound, common basis of thought and reverence. On all the islands, the arts mostly practiced by witches, such as midwifery, healing, animal husbandry, dousing, mining and metallurgy, planting and growing spells, love spells, and so on, often invoked or drew upon the Old Powers. But the learned wizards of Roke had generally come to distrust the ancient practices and made no appeal to the "Powers of the Mother." Only in Pain did wizards combine the two practices, in the arcane, esoteric, and reputedly dangerous Pelnish Lore..But in fact Golden wasn't thinking only about the business. Or so he seemed. What if he was cheating, hiding his power, a rival hiding his power? A jealous rival. He must be stopped, he must be bound, named, called. Irioth began to say the words that would bind him, and the shaken man cowered away, shrinking down, shriveling, crying out in a thin, high wail. It is wrong, wrong, I am doing the wrong, I am the ill, Irioth thought. He stopped the spell words in his mouth, fighting against them, and at last crying out one other word. Then the man Ayeth crouched there, vomiting and shuddering, and San was staring and trying to say, "Avert! Avert!" And no harm was done. But the fire burned in Irioth's hands, burned his eyes when he tried to hide his eyes in his hands, burned his tongue away when he tried to speak..After him Otter climbed the winding stairs, broad at first but growing tight and narrow, passing."But you'll fly again?".Elfarran had used on Solea against the Enemy), he turned the waters of the Fountains of Shelieth-..which the poem was first spoken..Her feet and legs and hands were bare and dirty, her skirt and jacket disreputable. "I'll go in, try to keep things from sliding around, eh? I'll find out when I'm doing it, no doubt. I think you should be getting back to yourself. Things are tightening up." He stopped again, looking as if he were in intense pain, hunched and clenched. He struggled to stand up. Unthinking, Ogion held out his hand to help him..So they talked, that long winter, and others talked with them. Slowly their talk turned from vision to intention, from longing to planning. Veil was always cautious, warning of dangers. White-haired Dune was so eager that Ember said he wanted to start teaching sorcery to every child in Thwil. Once Ember had come to believe that Roke's freedom lay in offering others freedom, she set her whole mind on how the women of the Hand might grow strong again. But her mind, formed by her long solitudes among the trees, always sought form and clarity, and she

So said Ath himself. And you have walked under the trees... Our job must be to keep that strength. Hide it, yes. Hoard it, as a young dragon hoards up its fire. And share it. But only here. Pass it on, one to the next, here, where it's safe, and where the great robbers and killers would least look for it, since no one here is of any account. And one day the dragon will come into its strength. If it takes a thousand years...". The clouds darkened. Rain passed through the little valley, falling on the dirt and the grass.. "You have-" he said-"you have to go. Back." As he said "Back," his left hand struck down on the.. As she blew out the lamp and got into bed, the witch's daughter heard an owl calling, the little, liquid hu-hu-hu-hu that made people call them laughing owls. She heard it with a mournful heart. That had been their signal, summer nights, when they sneaked out to meet in the willow grove down on the banks of the Amia, when everybody else was sleeping. She would not think of him at night. Back in the winter she had sent to him night after night. She had learned her mother's spell of sending, and knew that it was a true spell. Hound sniffed, sighed, and followed, trudging along unwillingly, while behind him in the village the flames died down, and children cried, and women shouted curses after the eagle.. A BOAT-SONG FROM WEST HAVNOR.. Under Roke's steadily growing influence, wizardry was shaped into a coherent body of knowledge, its use increasingly controlled by moral and political purpose. Wizards trained at the school went to other islands of the Archipelago to work against warlords, pirates, and feuding nobles, preventing raids and forays, imposing penalties and settlements, enforcing boundaries, and protecting individuals, farms, towns, cities, and shipping, until social order was re-established. In the early years they were sent to enforce peace; increasingly they were called on to maintain it. While the throne in Havnor remained empty, for over two hundred years Roke School served effectively as the central government of the Archipelago.. He stood tongue-tied. After a while she looked up at him. "No," she said in a soft, quiet voice.. "You must find the true womb, the bellybag of the Earth, that holds the pure moonseed. Did you know that the Moon is the Earth's father? Yes, yes; and he lay with her, as is the father's right. He quickened her base clay with the true seed. But she will not give birth to the King. She is strong in her fear and willful in her vileness. She holds him back and hides him deep, fearing to give birth to her master. That is why, to give him birth, she must be burned alive..". "There was no place for him among the Masters, since a new Master Summoner had been chosen, a strong man in his prime, not likely to retire or die. Among the scholars and other teachers he had a place of honor, but he wasn't one of the Nine. He'd been passed over. Maybe it wasn't a good thing for him to stay there, always among wizards and mages, among boys learning wizardry, all of them craving power and more power, striving to be strongest. At any rate, as the years went on he became more and more aloof, pursuing his studies in his tower cell apart from others, teaching few students, speaking little. The Summoner would send gifted students to him, but many of the boys there scarcely knew of him. In this isolation he began to practice certain arts that are not well to practice and lead to no good thing.. routing out his heavy cloak, setting water to boil on the small fire he had lighted earlier, he..
