Kiss me good-by, Gordy.".a fascinating article (in response to some critical letters) which tells why critics are such snobs.First, there is the reactive pain. Only those who have reviewed, year in and year out, know how truly abominable most fiction is. And we can't remove ourselves from the pain. Ordinary readers can skip, or read every third word, or quit in the middle. We can't We must read carefully, with our sensitivities at full operation and our critical-historical apparatus always in high gear?or we may miss that subtle satire which disguises itself as clich?, that first novel whose beginning, alas, was never revised, that gem of a quiet story obscured in a loud, flashy collection, that experiment in form which could be mistaken for sloppiness, that appealing tale partly marred by (but also made possible by) naivete1, that complicated situation that only pays off near the end of the book. Such works exist but in order not to miss them, one must continually extend one's sensitivity, knowledge, and critical care to works that only abuse such faculties. The mental sensation is that of eating garbage, I assure you, and if critics* accumulated suffering did not find an outlet in the vigor of our language, I don't know what we would do. And it's the critics who care the most who suffer the most; irritation is a sign of betrayed love. As Shaw puts it: "She said take a message." McKillian had been crawling up the ladder as she said this. Now she reached him and said in a lower voice, "Matt, she's pretty broken up. I was on Mullholland. I kept going west for a long time, crossed the San Diego Freeway, into the Santa Monica Mountains. The pavement ends a couple of miles past the freeway, and there's ten or fifteen miles of dirt road before the pavement picks up again nearly to Topanga. The road isn't traveled much, there are no houses on it, and people don't like to get their cars dusty. I was about in the middle of the unpaved section when Detweiler seemed to calm down. I pulled over to the side of the road and cut the engine. The San Fer-
