"He won't," said Irioth..Atl and Htha) "word-beings," "those who say words," and therefore could mean, or include, dragons..Doorkeeper looked round, and now his smile was wider. Though he said nothing, she felt he was.He stepped down from the doorstep onto the dirt so that he could

feel the ground with the nerves. "She came to this place at this time," the Namer said. "And to this place, at this time, no one. The witch shook her iron-grey head once. "I can't tell you." Her 'can't' did not mean 'won't'. Dragonfly waited. "It's the power, like I said. It comes just so." Rose stopped her spinning and looked up with one eye at a cloud in the west; the other looked a little northward of the sky. "You're there in the water, together, you and the child. You take away the child-name. People may go on using that name for a use-name, but it's not her name, nor ever was. So now she's not a child, and she has no name. So then you wait. You open your mind up, like. Like opening the doors of a house to the wind. So it comes. Your tongue speaks it, the name. Your breath makes it. You give it to that child, the breath, the name. You can't think of it. You let it come to you. It must come through you to her it belongs to. That's the power, the way it works. It's all like that. It's not a thing you do. You have to know how to let it do. That's all the mastery." It was only illusion, of course, but it checked him a moment in his spell, and then he had to undo the illusion, bringing back the door frame around him, the walls and roof beams, the gleam of light on crockery, the hearth stones, the table. But nobody sat at the table. His enemy was gone. "I asked you not to," he said, "and it's not my need I spoke of. I talk enough for two. Never mind. You'll know what to say when the time comes. That's the art, eh? What to say, and when to say it. And the rest is silence." Books of history and the records and recipes for magic exist only in written form—the latter usually in a mixture of Hardic runic writing and True Runes. Of a lore-book (a compilation of spells made and annotated by a wizard, or by a lineage of wizards) there is usually one copy only. "What's more wrong than to summon oneself back from death?" said the Namer. In thin woodlands towards the foothills that hid Mount Onn from the lowlands of Samory, that he could come among them in a herd, instead of going to them one by one as they scattered out. "I don't care what's 'allowed'," he said, with a frown she had never seen on his face. The Archmage himself said, Rules are made to be broken. Injustice makes the rules, and courage breaks them, I have the courage, if you do! Windkey led them. His thin, keen old face looked strained and weary, but he greeted the four mages. "I've walked on dirt for seventy-five years," Dulse had said. "A few more won't kill me!" they got to Roke and what happened there. The history of the Fourteen Kings of Havnor (actually six kings and eight queens, ~150-400) is told in the Havnorian Lay. Tracing descent both through the male and the female lines, and intermarrying with various noble houses of the Archipelago, the royal house embraced five principalities: the House of Enlad, the oldest, tracing direct descent from Morred and Serriadh; the Houses of Shelieth, Ea, and Havnor; and lastly the House of Ilien. Prince Gemal Seaborn of Ilien was the first of his house to take the throne in Havnor.
