Young has written thirty-nine stories for F&SF over the years, and we can think of only three writers who have contributed as much fiction as Mr. Young (Poul Andersen, A warn Davidson, and Ron Goulart). A Robert Young story is always a pleasure because its high quality is as predictable as its subject matter is unpredictable. Here he gives us the real story behind why a certain tower in Babylon was never

finished and why all great builders, from Nebuchadnezzar to Moses (Robert), have such a rough time.. "Good." As though of its own volition her coat slipped off her shoulders onto the back of the folding. into an argument with the comedian about whether his skit was essentially truthful or unjustifiably cruel. The vision of loveliness who opened the door was about forty, almost as sum as Twiggy, but as tall as I. He wore a flowered silk shirt open to the waist, exposing his bony hairless chest, and tight white pants that might as well have been made of Saran Wrap. He didn't say anything, just let his eyebrows rise inquiringly as his eyes flicked down, then up.. When I first met her, I thought that Stella was the coldest person I'd ever encountered. And in Des Moines I saw her crying alone in a darkened phone booth? Jain had awakened her and told her to take a walk for a couple hours while she screwed some rube she'd picked up in the hotel bar. I tapped on the glass; Stella ignored me.. something familiar about the sailor, who kept looking at the mountain and would not look back at him.. and another calling herself Selene Randall. The revelation, and their decision to remain dissociated, had. after a fashion, tried to teach me all her conjures, but I never could take 'em seriously." He grinned. Congreve paused, swept his eyes from one side of the room to the other, and raised his hands in resignation. "It seems that as individuals we can only stand by as helpless observers and watch the events that are sweeping us onward collectively. The situation is complicated further by the emergence and rapid economic and military growth of the-Chinese-Japanese Co-Prosperity Sphere, which threatens to confront Moscow with an unassailable power bloc should it come to align with ourselves and the Europeans. More than a few Kremlin analysts must see their least risky gamble as a final resolution with the West now, before such an alliance has time to consolidate. In other words, it would not be untrue to say that the future of the human race has never' been at greater risk than it is at this moment.".. "We had a back-up pilot, of course. You may be surprised to learn that it wasn't me. It was Dorothy Cantrell, and she's dead. Now I know what everything does on this board, and I can cope with most of it easily. What I don't know, I could learn. Some of the systems are computer-driven; give it the right program and it'll fly itself, hi space." She looked longingly at the controls, and Crawford realized that, like Weinstein, she didn't relish giving up the fun of flying to boss a gang of explorers. She was a former test pilot, and above all things she loved flying. She patted an array of hand controls on her right side. There were more like them on the left.. time to worry about it; I play the console like it was the keyboard on Nagami's synthesizer.. he never again had such a plum fall in his lap.
