"You're right, but you're supposed to pretend you don't know about that. I was thinking of something else--recognition. It's another part of human nature that surfaces when the more basic things have been taken care of. And when it does, it gets to be just as powerful as the rest. A guy needs to think that he measures up when he compares himself to the other guys around him. He needs to be recognized for what's good about him and to stand out. Like you said, it's probably sex, because he thinks the girls are taking notice, but whatever the reason, it's red."."Clear to exit," the Dispatching Officer informed Sirocco. "Lock clear for exit," Sirocco called to the cabin below. '-Carry on, Guard Commander," Colonel Wesserman replied from the depths..Rickster shuffled along, smiling dreamily, as if the sandman had blown the dust of sleepiness in his eyes..Colman grinned. "Okay, chief. I will." A short silence fell while they both thought about the same thing. "How long do you think it'll be?" Colman asked at last..On his right, a meadow bank grows, then looms, as the two-lane blacktop descends, while on his left,.Fallows stood up and stepped aside, and Waiters eased himself into the 'subcenter supervisor's chair. Now that the words had been said, the tension released itself in a ripple of

murmurs accompanied by the rustle of papers, and the creaks of chain as bodies unfolded into easier postures..girl mean bidness!".A Tenure of Landholdings Act was passed, declaring that all property rights were transferred to the civil administration and that legally recognized deeds of title for existing and prospective holdings could be purchased at market rates for Terrans and in exchange for nominal fees for officially registered Chironian residents, a concession which was felt essential for palatability. Employment by Terran enterprises would enable the Chironians to earn the currency to pay for the deeds to their homes that the government now said it owned and was willing to sell back to them, but they had grounds for gratitude-it was said- in being exempt from paying the prices that newly arrived Terrans would have to raise mortgages to meet. At the same time, under an Aliens Admissions Act, Chironians from outside would be allowed entry to Phoenix only upon acquiring visas restricting their commercial activities to paying jobs or approved currency-based transactions, for which permits would be issued, or for noncommercial social purposes. Thus the Chironians living in or entering Phoenix would cease, in effect, to be Chironians, and the problem would be solved..never seen their faces clearly..Or, for all Curtis knows, this shirt-clutching stranger might be psychotic rather than psychic. Loony.,was neither. In time, this fire of self-loathing burned out, leaving the ashes of depression..mother's daughter; therefore, her genes might be her destiny if she wasn't careful..At the windows of the two-story motel, most of the drapes have been flung back. And girls like you are stomped.rub the backs of their necks, roll their shoulders, arch their spines, and crack their knuckles, they ask one.The display of tact seemed to do the trick. The Chironian held his eye for a moment longer, and then nodded. "Very well." Inwardly Colman breathed a sigh of relief. The women were evidently willing to allow the man to speak for them too. They exchanged quick, barely perceptible nods, stood up, and gathered their possessions. Two of the SD troopers moved to assist them with a show of respect that Colman found surprising..Duck or another Looney Tunes star, he is excited by the spectacle of all these cool trucks congregating.It was interesting, certainly. "Well.. maybe," Bernard replied guardedly. "Who do you know there?" -disappointment. "I sure did want to be Minnie.".. "It doesn't matter," Colman told him. "It's different in different places. It might be the best hunter in the village or the guy who's killed the most lions. It might be the way you paint your face. Through most of history it's been money. What you buy with it isn't important. What's 'important is that the things you buy say to all the other guys, 'I've got what it takes to earn what you have to, to buy all this stuff, and you haven't. Therefore I'm better than you.' That's what it's all about."..His handsome profile was ideal for stone monuments in a heroic age, though by his actions he had proved.dinner sometimes she likes to talk about what she saw squashed on the highway that day. Grinning, wagging her tail, aware that she's the hero of the hour, she turns left and trots.Strangely, it was this very grasp that he was beginning to acquire of the Chironians' dedication to life that troubled Pernak. It troubled him because the more he discovered of their history and their ways, the more he came to understand how tenaciously and ferociously they would defend their freedom to express that dedication. They defended it individually, and he was unable to imagine that they would not defend it with just as much determination collectively. They had known for well over twenty years that the Mayflower ii was coming, and beneath their casual geniality they were anything but a passive, submissive race who would trust their future to chance and the better nature of others. They were realists, and Pernak was convinced that they would have prepared themselves to meet the worst that the situation might entail. Although nobody had ever mentioned weapons to him, from what he was beginning to see of Chironian sciences, their means of meeting the worst could well be very potent indeed..Clapping her hands in delight, Leilani said, "I knew there must be some gumption in you." She rose from."Do you figure they might start trouble, chief?" Stanislaw asked, turning his head toward Sirocco..CHAPTER THIRTY-FOUR
