Ordinary readers can skip, or

read every third word, or quit in the middle. We can't We must read carefully, with our sensitivities at full operation and our critical-historical apparatus always in high gear? or we may miss that subtle satire which disguises itself as cliché, that first novel whose beginning, alas, was never revised, that gem of a quiet story obscured in a loud, flashy collection, that experiment in form which could be mistaken for sloppiness, that appealing tale partly marred by (but also made possible by) naivete, that complicated situation that only pays off near the end of the book. Such works exist but in order not to miss them, one must continually extend one's sensitivity, knowledge, and critical care to works that only abuse such faculties. The mental sensation is that of eating garbage, I assure you, and if critics' accumulated suffering did not find an outlet in the vigor of our language, I don't know what we would do. And it's the critics who care the most who suffer the most; irritation is a sign of betrayed love. As Shaw puts it: "was mostly dry." A clone is any organism (or group of organisms) that arises out of a cell (or group of cells) by means other than sexual reproduction. Put it another way: It is an organism that is the product of asexual reproduction. Put it still another way: It is an organism with a single parent, whereas an organism that arises from sexual reproduction (except where self-fertilization is possible) has two parents. He looked at me with an expression I'd never seen before, and I knew why Lorraine said he had a lost, doomed look. "Well, we can't live forever, can we? Are you ready to go?" "Have you heard about the giant department store in Japan?" he asked her. "It covers sixteen acres." "seeming the least homicidal. Why?" "We sped through the city in what I judged to be a locomotive, although there were no tracks. "What new wonder shall I see?" I mused, for many were the sights shown me already. My guide, an illustrious professor, halted the machine. Margery Goldstein. The next glimpse is that of a running figure who advances into the screen and disappears. Now the men. Phoebe Ellis. The old woman hesitated. "You will not be offended if I speak?"
