like that. They just don't think that way." any lesser person. Surely not. She is majestic. She is magnificent, beautiful. She can live by her own rules. Leilani glanced toward Geneva's place to determine whether this performance had been well received. Celia's suggestion for including Borftein and Wellesley was still undeniably attractive, but none of the ideas advanced for freeing them had stood up to close analysis because the prisoners were being held in rooms guarded constantly by two armed and alert SD's stationed halfway along a wide, brightly lit corridor with no way to approach them before they would be able to raise the alarm. Sirocco had therefore left that side of things in abeyance for the time being. Tail wagging, the pooch pads into the bathroom? and straight toward the toilet cubicle. "Poor scared thingy bit me when the lights went out." "She's my father's sister, so she was part of the deal." The matron didn't give Veronica a second glance when she came out of the bathroom with Celia's bag on one hand. "She performed at a club called Planet Pussycat." "Would they accept a job like that?" Jean asked, sounding dubious. "Dear God," Micky whispered, "what am I going to do?" Maybe something hideous does lurk in there. Perhaps awaiting Curtis is a discovery far more disgusting. Stern nodded slowly in satisfaction. "Excellent. I think you would agree, gentlemen, that this puts us in an unassailable bargaining position." bottle on the dresser. "We get them," Nanook agreed. "But not a lot. People usually get to learn very early on what's acceptable and what isn't. They've all got eyes, ears, and brains." Something isn't right, the silence too deep. Perhaps Curtis's parents have awakened. "Who does, dear?" Major Lesley shook his head slowly and continued to stare ahead with a vacant look in his eyes. "This shouldn't be happening," he murmured. "They're not the enemy. They shouldn't be fighting each other." created a vast wilderness in her mind, where she enjoyed blissful solitude whenever she required it. fiends. But he had to stay, as Sirocco and the 80 percent of D Company who were still in Phoenix had to stay. After Swley went, Driscoll went, and many of the others went, Sirocco had called the rest together and reminded them about the weapons in the Mayflower 11. "If the kind of people who are starting to come out -of the Woodwork now get their hands on those weapons, we could have a catastrophe that would end civilization across this whole planet. You've all seen what's happening back on Earth. Well, the same mentalities are here too, and they're panicking. We must keep enough of the Army together to stop anything like that if we have to." And so they had stayed. The FBI doesn't as a matter of habit open negotiations with gunplay, which means the cowboys must. Clem waved an arm casually without looking back. "Go ahead," he said. "Can't see as you really need any, though. You're pretty safe up here. We don't get many burglars." Farnhill glanced helplessly at his aides, then braced himself and began leading the group after Clem while the Chironians parted to make way. Then gunfire. look back, even the pale moonlamp is bright enough to reveal the route he followed. The girl grew silent. The inverted logic that had puzzled him had not been something peculiar to the military mind; it was just that the military mind was the only one he had ever really known. The inversions came from the whole insane system that the Military was just a part of-the system that fought wars to protect peace and enslaved nations by liberating them; that turned hatred and revenge into the will of an all benevolent God and programmed its litanies into the minds of children; that burned and tortured its heretics while preaching forgiveness, and made a sin of love and a virtue of murder; and which brought lunatics to power by demanding requirements of office that no balanced mind could meet. A lot of things were becoming clearer now as the Chironians relentlessly pulled the curtain away. ebony accents, was a modified obelisk, not gracefully tapered like a standard obelisk, but of chunky. to match Geneva's smile. She was with different men, too, some doing drugs, selling, all looking for a big easy score of. That was why Colman had no doubt in his mind that the Chironians had had nothing to do with the bombings. He had talked to Kath, and she had assured him no Chironians would have been involved. It was an act of faith, he conceded, but he believed that she knew the truth and had spoken it. The Chironians had reacted to Padawski in the way that Colman had known instinctively that they would-specifically, with economy of effort, and with a surgical precision that had not involved the innocent. blood of others was the staff of life. Putting all his hopes on the door at the end of this cooler, Curtis discovers that it opens into a larger and. "Hey, guys, Goldilocks has got a new girlfriend Take a look. Is there something you wanna tell us, Colman? I've always had my doubts about you." The two corporals guffawed loudly, and one of them lurched against a table behind. The man sitting at it excused himself and left hurriedly. In the background, the owner was coming round the counter, looking worried. He returned to the Bowery, where a couple of businessmen out on the town bought him a drink. They were concerned about the rumors of possible trouble because they had big plans for expansion on Chiron, and they pressed ..... Colman for inside information from the Military. Colman ' -d he didn't have any. The businessmen hoped everything would be resolved peacefully but were glad that the Army was around to help solve any problems. They didn't want peace to prevent people like Colman from getting shot or so that Chironians who were like Jay and the black guy near Zeerust could become engineers or run their farms without getting wiped out by air strikes; they wanted it So that they could make money by hiring Chironians at half the wages they'd need to pay Terrans, and to set up good, exclusive

schools to put their kids in. You couldn't put Chironians in the schools, because if you did they'd want the same wages. And in any case they'd never be able to afford it. The Chironians weren't really people, after all."That's tough. But my useless dad skipped the day I was born." Kath looked apprehensively at Celia. Celia nodded in answer to the unvoiced question. "Yes, that's the way I want it," she said. Kath nodded and accepted the situation at that..player was olive-skinned with Mediterranean features.
