Now one day in late spring, Brother Hart had gone as usual to the lowland meadows leaving Hinda at home. She had washed and scrubbed the little cottage till it was neat and clean. She had put new straw in then- bedding. But as she stood by the window brushing out her long dark hair, an unfamiliar sound greeted her ears: a loud, harsh calling, neither bird nor jackal nor good grey wolf.. "Still, it got you picked for this mission out of hundreds of applicants. The thinking was that you'd be a wild card, a man of action with proven survivability. Maybe it worked out. But the other thing I remember on your card was that you're not a leader. No, that you're a loner who'll cooperate with a group and be no discipline problem, but you work better alone. Want to strike out on your own?".almost blew them over. Water condensed out of it in their faceplates, and suddenly they couldn't see very. How Swyley did what only he did so well was something nobody was quite sure of, least of all Swyley himself. Whatever the reason, Swyley's ability to pick out significant details from a hopeless mess of background garbage and to distinguish consistently between valid information and decoys was justly famed and uncanny. But since Swyley himself didn't understand how he did it, he was unable to explain it to the systems programmers, who had hoped to duplicate his feats with their image-analysis programs. That had been when the "-sits" and the "-zoologists" began their endless batteries of fruitless tests. Eventually Swyley made up plausible-sounding explanations for the benefit of the specialists, but these were exposed when the programs written to their specifications failed to work. Then Swyley began claiming that his mysterious gift had suddenly deserted him completely..lights, sound, color, and all the rest of the systems. Finally some nameless tech comes on circuit to give.
