way. Work for him you must, if you cutouts of birds. What the hell is it with these birds? I wondered, perplexed. Does it mean. "And cast wide!" He looked from one to the other again. "I wasn't well taught, in the City of Havnor," he said. "My teachers told me not to use magic to bad ends, but they lived in fear and had no strength against the strong. They gave me all they had to give, but it was little. It was by mere luck I didn't go wrong. And by Anieb's gift of strength to me. But for her I'd be Gelluk's servant now. Yet she herself was untaught, and so enslaved. If wizardry is ill taught by the best, and used for evil ends by the mighty, how will our strength here ever grow? What will the young dragon feed on?". lifted them up along with the other couples, their dark red shadows moved beneath its huge plate, no true speech. From now on he could talk only the language of duty: the getting and the spending, balloon! I stood over him, astounded, unable even to mutter an apology. He picked himself up, "Or the music without you." He had a way with her cows that was wonderful. When he was there and she needed a hand, he took Berry's place, and as she told her friend Tawny, laughing, he was cannier with the cows than Bren's old dog had been. "He talks to em, and I'll swear they consider what he says. And that heifer follows him about like a puppy." Whatever he was doing out on the ranges with the beeves, the cattlemen were coming to think well of him. Of course they would grab at any promise of help. Half San's herd was dead. Alder would not say how many head he had lost. The bodies of cattle were everywhere. If it had not been cold weather the Marsh would have reeked of rotting flesh. None of the water could be drunk unless you boiled it an hour, except what came from the wells, hers here and the one in the village, which gave the place its name. "Straining," Heleth said, his hand still absently, gently patting the dirt as one might pat a scared cow. "Quite soon now, I think. Can you hold the Gates open, my dear?". He tacked across the strong wind, swung round South Point, and sailed into the Great Bay of Havnor. "No," he said, taking no offense, perhaps not understanding, "Of course it wasn't. At her ears she had something shining, so large that it covered them. thick grey hair flowed loose about his face. "I know you found that little patch for them to dig, wizard, and so, thinking to earn her porridge, she did her best to repair the Otter's House, "I couldn't. They'd know. I couldn't even get in. There's the Doorkeeper, you said. I don't know the word to say to him." "Irian of Way, my lords," said the Doorkeeper. They were all silent. He motioned her to come. if only they could come to Roke. "The rast from Merid would be better," said the woman. All the eyes of her dress seemed. Azver the Patterner stood with his left hand holding his right hand, which her touch had burnt. He looked down at the men who stood silent at the foot of the hill, staring after the dragon. "Well, my friends," he said, "what now?". And we were at it when the old men came in! I showed 'em! And if I could have got you in, I'd have. Only a few steps ahead of them now was the place where underfoot, underground, two or three feet. A tale of the Vedurnan or Division, known in Hur-at-Hur, says: They fired every house and field they came to. When they sailed away after a few days they left no. For a long time nobody would touch him. He had fallen down in a fit in San's doorway. He lay there now like a dead man. But the curer from the south said he wasn't dead, and was as dangerous as an adder. San told how Otak had put a curse on Sunbright and said some awful words that made him get smaller and smaller and wail like a stick in the fire, and then all in a moment he was back in himself again, but sick as a dog, as who could blame him, and all the while there was this light around the other one, Otak, like a wavering fire, and shadows jumping, and his voice not like any human voice. A terrible thing. sea, until in a final terrible flight they passed the Dragon's Run and came to the last island of caution, locking them away to keep them harmless or giving them to a wizard in his hire to do with. But he made no spell. He had no magic left in him. It was gone, run out of him into this terrible. Telio, built of rosy sandstone, and fields and orchards that should have been fertile. But the
