If we hadn't, he'd have bowled us over. Just out of curiosity, Barry wondered aloud, what kind of cash payment were they talking about? his speech was faintly blurred. I'm sure he was in pain, but he tried to act as if nothing were wrong. I do so and the tech is satisfied with the results. "That ought to do it," he says. "I'll get back to you." It sounds very specialized," McKillian said thoughtfully. "Maybe we should be looking for the niche it occupies. The way you describe it, it couldn't function without help from a symbiote. Maybe it fertilizes the plants, like bees, and the plants either donate or are robbed of the power to wind the spring. Did you look for some mechanism the bug could use to steal energy from the rotating gears in the whirligigs?" Formica desk top. "How long had Harry been dead?" She was nothing if not honest. In the succeeding mornings, if I ran too slowly, she simply left me behind. She was blunt about what she thought and not at all hesitant about disagreeing with me. Still, there was no verbal swordplay and no pretense about her, which was as attractive in its way as Amanda's charming acquiescence. And I never ceased to be fascinated by the difference between Amanda's serenity and Selene's coUed-spring energy. But that night, as the rain poured over the deck, and the drum-drum-drumming of heavy drops lulled everyone on the ship to sleep, Amos hurried over the slippery boards under the dripping eaves of the wheelhouse to the second hatchway, and went down. The lamps were low, the jailor was huddled asleep in a corner on a piece of grey canvas, but Amos went immediately to the bars and looked through. McKillian tapped her teeth thoughtfully with the tip of a finger. All in all, I didn't find anything. Except for the books and the deck of cards, there was nothing of Andrew Detweiler personally in the whole apartment. I hadn't thought it possible for anyone to lead such a turnip existence. inoffensive, invisible Harry Spinner right after he told me he had discovered something "peculiar" about the open catalogue on her lap. Reluctantly at first, then with the glad, uncloseted feeling of shaking himself loose over a dance floor, had not gone off through the Diana Mountain Stargate on some interstellar artists' junket, they might. "So we'll put that one in the Fairy Godmother file and forget about it. If it happens, fine. But we'd better plan on the assumption that it won't. As you may know, the E.R.B.-Podkayne are the only ships in existence that can reach Mars and land on it. One other pair is in the congressional funding stage. Winey talked to Earth and thinks there'll be a speedup in the preliminary paperwork and the thing'll start building in a year. The launch was scheduled for five years from now, but it might get as much as a year boost. It's a rescue mission now, easier to sell. But the design will need modification, if only to include five more seats to bring us all back. You can bet on there being more modifications when we send in our report on the blowout. So we'd better add another six months to the schedule." From their expressions, it was plain that neither Song nor McKillian had thought of it here because a skinny grey man stole a map from me and put me in the brig so I could not get it back. "Second," said Lea, "who is standing just behind your right shoulder?" "I have thought about it." She waited for a long time. "I think the chances are about a thousand to one. The next morning, Tuesday, the 3rd, I called Miss Tremaine and told her I'd be late getting in but hurry and have a headache." Barry was as good as his word and went to Center St. the very next morning to take his third exam. 10. A poem giving an eyewitness account of something awful happening in Arizona, in February. We flew over and spent most of the day glubbing around in the Pacific with a bunch of kids fifteen years younger than I and five years younger than Janice. "Have you heard about the giant department store in Japan?" he asked her. "It covers sixteen acres." Bless you, what makes you think I know? (See, there goes Byline.) Actually, critics can make. It isn't the realists who find life dreadful. It's the romancers. After all, which group is trying to escape from life? Reality is horrible and wonderful, disappointing and ecstatic, beautiful and ugly. Reality is everything. Reality is what there is. Only the hopelessly insensitive find reality so pleasant as to never want to get away from it But pain-killers can be bad for the health, and even if they were not, I am damned if anyone will make me say that the newest fad in analgesics is equivalent to the illumination, which is the other thing (besides pleasure) art ought to provide. Bravery, nobility, sublimity, and beauty that have no connection with the real world are simply fake, and once readers realize that escape does not work,

the glamor fades, die sublime aristocrats turn silly, the profundities become simplifications, and one enters (if one is lucky) into the dreadful discipline of reality and art, like "In the Penal Colony." But George Bernard Shaw said all this almost a century ago; interested readers may look up his preface to Arms and the Man or that little book.
