New works of any general interest are soon written down as broadsheets or. Dulse had seen young men weep for joy at the birth of a first son. He had seen poor men pay witches a year's earnings for the promise of a healthy boy, and a rich man touch his gold-bedizened baby's face and whisper, adoring, "My immortality!" He had seen men beat their sons, bully and humiliate them, spite and thwart them, hating the death they saw in them. He had seen the answering hatred in the son's eyes, the threat, the pitiless contempt. And seeing it, Dulse knew why he had never sought reconciliation with his father..air like a knife, and Ayeth fell backward against a chair, staring..They came out again among the ploughlands and pastures in the warm evening. As they walked

back to their camping place he saw the four stars of the Forge come out above the western hills. "You're not," Irian said. She thought him between thirty and forty, though it was hard to tell. "Darkrose," he breathed in her ear, his secret name for her. "Now that is interesting," said the old scholar, sitting up straighter. "I told you I was reading about dragons. You know there's been talk of them flying over the Inmost Sea as far east as Gont. That was no doubt Kalessin taking Ged home, multiplied by sailors making a good story better. But a boy swore to me that his whole village had seen dragons flying, this spring, west of Mount Onn. And so I was reading old books, to learn when they ceased to come east of Pendor. And in one I came on your story, or something like it. That men and dragons were all one kind, but they quarrelled. Some went west and some east, and they became two kinds, and forgot they were ever one." Rose was very dark-skinned, with a cloud of crinkled hair, a thin mouth, an intent, serious face. Her feet and legs and hands were bare and dirty, her skirt and jacket disreputable. Her dirty toes and fingers were delicate and elegant, and a necklace of amethysts gleamed under the torn, buttonless jacket. Her mother, Tangle, made a good living by curing and healing, bone-knitting and birth-easing, and selling spells of finding, love-potions, and sleeping-drafts. She could afford to dress herself and her daughter in new clothes, buy shoes, and keep clean, but it didn't occur to her to do so. Nor was housekeeping one of her interests. She and Rose lived mostly on boiled chicken and fried eggs, as she was often paid in poultry. The yard of their two-room house was a wilderness of cats and hens. She liked cats, toads, and jewels. The amethyst necklace had been payment for the safe delivery of a son to Golden's head forester. Tangle herself wore armfuls of bracelets and bangles that flashed and crashed when she flicked out an impatient spell. At times she wore a kitten on her shoulder. She was not an attentive mother. Rose had demanded, at seven years old, "Why did you have me if you didn't want me?" he said this. It was not what he had meant to say. Beneath a dome supported by cracked, dumbling columns stood a woman, as though she work and talk had gone out and the narrow streets had sent the marauders astray. Most of the islanders who into some kind of trouble, probably messing about with magic, and his mother had managed to. What she had on was all in large eyes, peacock eyes, and the eyes blinked. It was no illusion -- "We have to finish the work here," he told her, and she looked at him mildly. All animals were patient, but the patience of the horse kind was wonderful, being freely given. Dogs were loyal, but there was more of obedience in it. Dogs were hierarchs, dividing the world into lords and commoners. Horses were all lords. They agreed to collude. Ivory never noticed that the girl was ailing, nor the pear trees, nor the vines. He kept himself. "When the balance is wrong, holding still is not good. It must get more wrong," said the Patterner. "Until -" He made a quick gesture of reversal with his open hands, down going up and up down. "There's people all over these parts, and maybe beyond, who think, as you said, that nobody can be wise alone. So these people try to hold to each other. And so that's why we're called the Hand, or the women of the Hand, though we're not women only. But it serves to call ourselves women, for the great folk don't look for women to work together. Or to have thoughts about such things as rule or misrule. Or to have any powers." "When did a woman last ask to enter the School?" stank and their town stank. He disliked going aboard a slave ship, but the only vessel going out. "Master," Medra said, afoot, "wake up."
