I believe you, only. . . no. You can't understand this.."Her father's ancestors had owned a wide, rich domain on the wide, rich island of Way. Claiming no title or court privilege in the days of the kings, through all the dark years after Maharion fell they held their land and people with firm hands, putting their gains back into the land, upholding some sort of justice, and fighting off petty tyrants. As order and peace returned to the Archipelago under the sway of the wise men of Roke, for a while yet the family and their farms and villages prospered. That prosperity and the beauty of the meadows and upland pastures and oak-crowned hills made the domain a byword, so that people said, "as fat as a cow of Iria", or, "as lucky as an Irian". The masters and many tenants of the domain added its name to their own, calling themselves Irian. But though the farmers and shepherds went on from season to season and year to year and generation to generation as solid and steady as the oaks, the family that owned the land altered with time and chance..Dulse had seen young men weep for joy at the birth of a first son. He had seen poor men pay witches a year's earnings for the promise of a healthy boy, and a rich man touch his gold-bedizened baby's face and whisper, adoring, "My immortality!" He had seen men beat their sons, bully and humiliate them, spite and thwart them, hating the death they saw in them. He had seen the answering hatred in the son's eyes, the threat, the pitiless contempt. And seeing it, Dulse knew why he had never sought reconciliation with his father.."You've already missed it. You'll have to backtrack.."Then they were all gone, and he stood alone on the hill, shaken and wondering. "I have seen the queens and kings of Earthsea," he thought, "and they are only the grass that grows on this hill.."You can? Is it allowed?".So," he said, "now he makes you his reason for our meeting. But I will not go to the Great House.."How can you cure when you're sick?" she said..In the Archipelago, men built ships and women built houses, that was the custom; but in building a great structure women let men work with them, not having the miners' superstitions that kept men out of the mines, or the shipwrights' that forbade women to watch a keel laid. So both men and women of great power raised the Great House on Roke. Its cornerstone was set on a hilltop above Thwil Town, near the Grove and looking to the Knoll. Its walls were built not only of stone and wood, but founded deep on magic and made strong with spells..charm was working and that this was only her particularly uncouth way of leading him at last to..for base ends, it becomes weak and noxious... Of course, even a sorcerer gets paid. And wizards..They crossed a courtyard with a well in it. She knocked at a side door, and a girl opened it..He looked up suddenly. The sheep, who had been grouped near the stile, were scurrying off, and..developed. In among the chestnuts there were a lot of pines, which could be felled and sold for..Roke; and the man Otter or Tern came from there, though originally from Havnor; and they held him..news; suddenly the walkway
