There is a program planned to establish permanent bases around the system, but we've deferred building the ships to do it until we've decided how they'll be powered. That's why the Kuan-yin's being made into a test-bed. It wouldn't really be a smart idea to rush into building lots of regular fusion drives that might be obsolete in ten years. There's plenty to do on Chiron in the meantime, so there's no big hurry." She turned her face toward him and rubbed her cheek.Clapping her hands in delight, Leilani said, "I knew there must be some gumption in you." She rose from.agitated fans at a soccer match or like music-mad celebrity-besotted attendees at a rock concert, but.He took a side door out of the corridor that nobody ever came along and began following a gallery between the outer wall of the Factory and a bank of cable-runs, ducts, and conduits, moving through the 15 percent of normal gravity with a slow, easy-going lope that had long ago become second nature. Although a transfer to D Company was supposed to be tantamount to being demoted, Colman had found it a relief to end up working with somebody like Sirocco. Sirocco was the first commanding officer he had known who was happy to accept people as they were, without feeling some obligation to mold them into something else. He wasn't meddling and interfering all the time. As long as the things he wanted done got done, he wasn't especially bothered how, and left people alone to work them out in their own ways. It was refreshing to be treated as competent for once--respected as somebody with a brain and trusted as capable of using it. Most of the other men in the unit felt the same way. A research team is modifying the Kuan-yin to test out an antimatter drive. In fact the project is at quite an advanced stage. They're doing the same kind of thing back on Earth, aren't they?".Wellesley and the Congress had tried to perpetuate the same injustices by eclipsing him with Borstein because he in4p't graduated from the right places or possessed the right credentials. They had tried to fob him off with the command of what they had seen as a proficient but small and unimportant corps of specialists. They had all paid too. Now they all knew who he was and where they stood. He had no regrets about Ramisson's death; it underlined the lesson more forcefully than any words could have done. He was only sorry he hadn't made a cleaner sweep by shooting them all..the full beautiful spectrum of her radiance. Sometimes Leilani thought this might indeed be the reason that."The Chironians on channel eight are requesting a report, sir .". "I meant as a regular job," Driscoll said. "What do you do basically?".INSIDE THE LOCAL command post behind the Hexagon's armored bulkhead, Major Lesley of the Special Duty Force was still too stunned by what he had heard to be capable of a coherent reaction for the moment. He stared at the companel where a

screen showed a view from the Columbia District, where the SD guard commander had entered the Communications Center under a truce flag some minutes previously to talk with Borftein, and tried to separate the conflicting emotions in his head. Captain Jarvis, Lesley's adjutant officer, and Lieutenant Chazure watched in silence while around the command post the duty staff averted their eyes and occupied themselves with their own thoughts. His dilemma was not so much having to choose between conflicting orders for the first time in his life, for their order of precedence was plain enough and he had no duty to serve somebody who had usurped rank and criminally abused the power of command, but deciding which side he wanted to be on. Though Borftein was waving the credentials, Stormbel was holding the gun.. "Nonsense, Micky," Geneva said. "Tomorrow I can bake another apple pie all for you.".Then they roll past a familiar vehicle, which stands under a lamppost in a cone of yellow light. It's smaller.or in fear.
